Highway Fund Freeze Lifted

State Clears Way to Resume Jobs Delayed In Madison-St. Clair

Illinois highway officials moved quickly today to initiate as soon as possible a series of long-dormant construction projects that have been tied up in Madison and St. Clair counties for the past 23 months by the federal freeze order on highway funds.

The freeze, which has held up about $100 millions in highway work in the two counties, was lifted yesterday afternoon by U.S. Secretary of Transportation John A. Volpe.

The long-sought lifting was brought about under an equal employment plan advanced earlier this year by Gov. Ogilvie to meet government protests that not enough minority workers had been hired on highway construction jobs in the bi-county area — principal reason for the freeze order.

U.S. Sen. Ralph T. Smith (R-Alton) announced the end of the highway fund freeze in Washington where he said he was notified by Volpe of the transportation department's decision.

Engineers Meet

The announcement was followed here by meetings of state highway engineers at the District 8 office at French Village today to outline priorities of major projects that have been stalled so long by lack of federal highway fund allotments.

Robert Kronst, District 8 chief engineer, said his office can plan immediately about $30 millions in highway work in the two-county area, and that "if that moves along fast enough, I possibly can get another $30 million before the end of the year."

During the 23-month freeze, it was estimated, about $40 millions in highway work was held up in Madison county, and another $60 millions stalled in St. Clair county.

Lifting of the federal fund restriction will clear the way for the widening of more than two miles of Route 203 from the north Granite City limits to Interstate 270 at Mitchell, a project that was planned three years ago and held up by the freeze order just as it was to get under way.

The project calls for widening of the highway to four lanes at a cost of $1,385,000. All right-of-way for the improvement already has been secured.

Other Area Projects

Other Quad-City area projects cleared by the lifting of the freeze include construction of the interchange at the north access of Southern Illinois University-Southwestern campus to Highway 143 at a cost of $1.5 millions; construction of a grade separation over the railroad tracks at Chicago avenue near the Army Depot as part of the Federal Air Route 151 extension, at a cost of $980,000; and reconstruction of the intersection and improvement of the Granite City-Collinsville road approach to Route 111, at State

LUTHER RUDDER

Luther Rudder Dies in Farm Mishap in Ky.

Luther Rudder, 56, of Wickliffe, Ky., a former 40-year Granite City resident, died in a tractor accident about 5:30 p.m. Monday as he was returning to his house from the fields. The family believes he suffered an apparent heart attack, losing control of the tractor, which overturned and pinned him to the ground.

A native of Miller county, Mo., Mr. Rudder, moved to this area as a child and had lived in Kentucky for the past five years.

He was a state license inspector for 12 years and was active in the Republican party serving as district chairman for the Republican committee and precinct committeeman for Precinct Nine.

A member of the First Assembly of God Church, he also held membership in Masonic Lodge 877 and Granite City Moose Lodge 272.

Survivors include his wife, Naomi; and five sons, Charles Rudder of Hazelwood, Mo., Dr. Gary Rudder of Chicago, Larry Rudder of East St. Louis, Richard Rudder of Granite City, and Robert Rudder of Wickliffe, attending college in Florida; three daughters, Mrs. Robert (Patricia) Johnson of Granite City, Mrs. Harry (Barbara) Smith of St. Roberts, Mo., and Miss Naomi Lou Rudder at home; three sisters, Mrs. Edward (Vera) Crone of Greenville, Ill., and Mrs. George (Loretta) Stevenson and Mrs. Lloyd (Helen) Johnson of Granite City; and eight grandchildren. He was the son of the late Mr. and Mrs. Ernest Rudder.

Funeral services were conducted at 2:30 p.m. today. Arrangements are given in today's obituary column.

Levee District Oks Loan For $100,000

The East Side Levee and Sanitary district board approved issuance of a $100,000 anticipation warrant during a regular meeting yesterday. The warrant will be sold to the Bank of Cahokia to finance current operating expenses.

The board also approved payment of $84,220 to the New Memphis Sand & Gravel Co. for work of repairing broken sewer lines at Cahokia and Centreville last summer following heavy rains that caused breaks in the lines. The district will be reimbursed for the payment from disaster funds alloted area taxing districts as a result of the flooding caused by the rains last year.

William "Mike" Ebersoldt of Venice reported that pumping has been resumed in the Dobrey slough area due to frequent rains of the past week. He said the saturated condition of the ground resulting in a high water table causes the slough area to flood rapidly.

Stevens Is Named City Clerk By Mayor

Council Votes 14-to-1; Replaces Pendleton, Who Resigned June 1st

Robert W. Stevens, former comptroller for Granite City, whose job was abolished by order of the council April 30, is back at the city hall as city clerk.

He was appointed to the post Monday night by Mayor Partney — confirmed by a 14-to-1 vote of the council — after the resignation of City Clerk Homer "Cal" Pendleton was accepted unanimously.

Stevens, who ran against Pendleton in the April 1969 city election for city clerk and lost, was named to fill the remaining two years and 11 months of Pendleton's term.

His appointment was effective Monday, June 1, which also was the effective date of Pendleton's resignation. The swearing in ceremony took place Tuesday afternoon in Mayor Partney's office.

The lone dissenting vote was by Alderman Boyd, who early in Monday night's meeting — after Mayor Partney called for acceptance of Pendleton's resignation — presented a motion for acceptance and for a special election to be called within 90 days to fill the vacancy.

Mayor's Ruling

Mayor Partney said the section of Boyd's motion pertaining to the special election was not proper. Boyd revised his motion for acceptance of the resignation. It was approved by the council.

Then Boyd made another motion for a special election to be called in 90 days.

Partney ruled the motion out of order, saying that statutes specify particularly in the instances of vacancies in the offices of city clerk and city treasurer that appointments to fill the vacancies are to be made for the remainder of the term by the mayor.

He added that a special election would cost about $5000.

Boyd protested.

"We have $11,000 in the election fund, and we'll have to hold an election eventually," Boyd commented.

Seeks Legal Opinion

Turning to City Atty. Scroggins, Boyd called for a written opinion on the appointment by the mayor. "Maybe there are other sections to the law. We can get the information from the Illinois Municipal League."

Partney answered, "the motion is out of order. The law is different for a city clerk and treasurer."

Scroggins said he would be in Springfield later this week and would confer with the Municipal League.

Appeal of the out of order ruling was made by Boyd, who said he believed the city should obtain information from the Municipal League.

Waving a paper, Partney replied, "This is an Illinois Municipal League opinion."

Override Mayor

The vote to override the mayor carried 12-to-3, with Rutledge, Jarrett and Boker dissenting. Alderman Robertson had been present but departed.

Mayor Partney pointed out, "This is the same type of mo-

Weather or Not; 4000 Attend Shrine Circus

More than 4000 persons viewing the Ainad Temple Shrine Circus here last evening responded with enthusiasm to the talents displayed by performers who are appearing in this year's Shrine Circus benefit presentation at the Tri-City speedway near Mitchell.

Despite threatening weather conditions, which failed to materialize into a full-scale downpour but held down the anticipated crowd, an estimated 1500 persons saw the first performance at 5 p.m. and more than 2500 attended the later show at 8 o'clock.

The Shrine Circus will be presented again this evening, with two separate shows scheduled at 5 p.m. and 8 p.m.

Local Shrine officials announced today that should this evening's performances be cancelled due to weather conditions, ticket-holders may use tickets already purchased to attend any of the six shows to be given Saturday, Sunday and Monday at the Belleville Fairgrounds.

In Belleville, the circus will be presented at 2 p.m. and 8 p.m. Saturday; 1, 4 and 8 p.m. Sunday; and at 8 p.m. Monday.

LAUGHING ELEPHANTS drew attention in Tuesday night's Shrine circus parade. The final performances of the benefit circus are scheduled for 5 and 8 o'clock this evening at the Tri-City Speedway near Mitchell.

Rain Boosts Traffic Toll; 12 Hurt in 27 Mishaps

Rain slick streets in the Quad-City area boosted the traffic toll to a total of 27 traffic accidents since Monday, resulting in the injury of 12 persons. Six persons were injured in a single crash and three persons were hurt in another multiple-injury mishap.

Six persons were injured when an auto driven by Harry E. Hellon sr., 48, of 2408 Sunbury avenue, slowing to make a left turn, was struck from behind by a car driven by Frederick W. Krueger, 45, of Fieldon, at 5:15 p.m. Tuesday at Highway 111 and Route 35.

Taken by ambulance to St. Elizabeth Hospital were Krueger, his wife Phyllis, 37, his mother, Mrs. Irene Krueger, 64, and his son, Davis, six. Hellon and a passenger in his auto, Lowell Johnson, 59, of Rural Route One, had minor injuries.

Mrs. Irene Krueger was admitted with contusions to both hands and abrasions to both legs Krueger suffered a hematoma to the left leg. His wife had a lacerated lower lip, contusions to the right leg and to the chin. The boy had abrasions and contusions to the nose and face.

Three Persons Injured

Three persons were injured when an auto driven by John W. Colbert, 42, of Staunton, struck the rear of a car driven by John P. Needham, Fairview Park, O., who was slowing for an accident ahead at 4:20 p.m. Tuesday on Interstate 270 at the Illinois-Missouri state line.

Taken by ambulance to St. Elizabeth Hospital were Colbert, Mrs. Mary Needham, 46, and her son, Tim, 13. Colbert was admitted with cuts to the chin and lower lip and contusions to the face and chest. Mrs. Needham had pains in the head and neck, and her son had contusions. They were released following x-rays.

Passenger Injured

Louann Mullen, 18, of 2587 Waterman avenue, suffered minor injuries when an auto in which she was riding, driven by Terry M. Davis, 3240 Aubrey avenue, slid on wet pavement while slowing and struck the rear of the auto of Thomas A. Murphy jr., Grafton, parked in the 2600 block of Washington avenue at 4 p.m. Tuesday.

19 DAYS WITHOUT A QUAD-CITY TRAFFIC FATALITY

Petitions Filed By Ray Kozielek Are Challenged

John H. Moore Taken Off State Job as Madison Politics Boom

JOHN H. MOORE
Removed from Job

The campaign in Madison's special election of a mayor to fill the office of the late Stephen Maeras moved into high gear today amid a series of sharply-paced political developments.

These included the removal of one mayoralty candidate from his state job after he refused to withdraw from the race, and a legal challenge of the sufficiency of nominating petitions filed by acting Madison Mayor Ray Kozielek.

The separate actions highlighted the end of the withdrawal period late Monday afternoon in which only one candidate in an original field of five decided to get out of the contest. He was V.K. Happy, 1532 Seventh street, who filed withdrawal papers at the office of City Clerk John Bellcoff before the withdrawal deadline at 4:30 p.m. Monday.

Legality of Kozielek's nominating petitions was challenged in a petition filed at 2:30 p.m. Monday with City Clerk Bellcoff by Donald L. Bridick, 1125 McCambridge avenue, requesting a hearing by the municipal electoral board to determine if certain signatures on the mayor's petitions are authentic.

Taken Off Job

Two hours later, John H. Moore, 616 West Third street, a driver's license examiner stationed at the Granite City office, was notified that he had been removed from his job because of his insistence on making the campaign for mayor.

Moore told the Press-Record that a half hour before he was taken off the job, he was called by Ben Cherry, director of personnel in the office of Secretary of State Paul Powell at Springfield, and asked if he had withdrawn from the mayor's race. Cherry explained it is the policy of Powell's office to require a leave of absence by all employees who run for office.

Moore said he told Cherry he had not withdrawn and had no intention of doing so.

Expiration of the withdrawal period Monday afternoon leaves four candidates in the mayor's contest. These include Kozielek and Mike Sasyk, president of the Board of Police and Fire commissioners whose opposition for the mayor's office assures a hotly-contested campaign that is certain to influence a wide split in the rank and file of the once closely-knit Madison City Organization.

Sasyk is making his bid in the July 28 special mayoralty election with the endorsement of a majority of the city organization's "executive board" made up of elected officials, city department heads and precinct committeemen. Kozielek made a bid for the endorse-

100,000 Sign Petitions to 'Save Our Depot'

Petitions opposing the closing of the Granite City Army Depot have been signed by more than 100,000 persons and the number is expected to top 200,000 this month before the petitions are placed on the steps of the White House in Washington, it was reported last night.

The announcement was made by Col. Charles E. Hoskin III (ret.), executive vice-president of SODA (Save Our Depot Association), during a public forum at Granite City high school, attended by about 100 persons.

Along with the petitions, resolutions adopted by local area city councils will be presented to President Nixon, and copies will be sent to the Department of Defense, U.S. Senators Percy and Smith, Cong Price and Gov. Ogilvie.

GAO Investigation

Hoskin also reported that preliminary steps are under way for an investigation of the depot closure order by the General Accounting Offices. Col. Hoskin said, "If the GAO carries out the type of investigation that SODA is requesting, it will take about a year, and during that period the activities for closing the depot should be frozen."

Cong. Price is aiding SODA in calling for an exhaustive investigation. Hoskin noted the Department of Defense has cited low productivity as a reason for closing the Granite City depot. "When I was commander there, it was rated 13th in productivity and was stepped up to first."

Hoskin announced that SODA is seeking funds to carry on its work. "So far we've spent about $500 on postage and over $2000 for stationery and supplies, and we're now about $300 in the red."

Madison Voters Must Register by June 29

Miss Eulalia Hotz, Madison county clerk, announced today that Monday, June 29, is the last day prior to the special mayoral election July 28 for voters who have not heretofore registered to do so with local deputy registrars as well as at special registration centers set up by the county clerk.

"If you do not have a Voter's Certificate of Identification (pink card) with expiration of July 31, 1972, check directly with the county clerk's office in Edwardsville to see if you are properly registered.

"If you have lost your Voter's Certificate of Identification, a duplicate can only be issued by the county clerk's office upon your request," Miss Hotz is informing voters.

"Changes of address may be noted on the reverse side of your card; sign and mail it directly to the Edwardsville office on or before June 29.

"Those who will attain 21 years of age on or before July 28, 1970, must register on or before June 29 to be eligible to vote in the special election."

Citizen, 21 and Resident

Registration requirements are: 21 years of age on or before the date of the special election; United States citizen; and residence in Illinois one year last past, 90 days in the county and 30 days in the precinct.

For prospective voters' convenience, registrars are available as follows (Monday through Friday unless otherwise stated):

Mrs. Jewell Young, 12 Grenzer Homes, 5 p.m. to 7:30 p.m. Phone 876-1551.

E. J. Miller, city hall, 9 a.m. to 4:30 p.m.

Mrs. Ida Dant, 1715 Third street, evenings only. Phone 452-3169.

Special Centers

Registration deputies also are being sent by the county clerk to special registration centers on special dates as follows:

Mobile Unit — Louis Baer school playground, McCambridge avenue and Rhodes street, June 6 and June 20, 10 a.m. to 5 p.m.

Schermer's Market, 1125 Madison avenue, June 13 and June 27, 10 a.m. to 5 p.m.

For further information, Madison residents may call Miss Hotz, county clerk and chief clerk of voters registration, at 656-1416.

Bills Readied for Record Tax Collection

Collection of 1970 taxes — charged at an all-time record high of more than $16 millions in the Quad-City area — will get under way this month in Granite City, Nameoki and Venice townships, according to town collectors who said their office staffs are now preparing the new tax bills.

Collections in Chouteau township by Town Collector Charles E. Lexow were begun last week and will continue through June 27. New tax books for the four townships of the Quad-City area were turned over to the collectors in mid-April.

E. R. "Pat" Rich, city treasurer of Granite City who also serves as collector, said he is working a crew of 12 typists in preparation of tax bills in an effort to complete the work by the last of this month. Tax collection work is running about two weeks behind last year, he said, and for that reason he plans to continue collections "right down to the wire" of the Aug. 31 deadline.

Under the law, township tax books must be returned to the county on Sept. 1. Rich said he is planning tentatively on a staggered mailing of tax bills during the last few days of this month with a July 1 starting date for tax collections at his office in the city hall. This date could be subject to change if any delay is encountered in completing the tax bills, he explained.

Granite City taxpayers will be billed for the highest tax extension in the township's history — a total of $9,828,714 in local taxes, compared with $9,170,870 last year. The township's total bill includes another $84,220 in railroad taxes, but these are collected by the county treasurer and are not extended on the local tax books. Last year the bill for railroad taxes was $80,802.

Edgar Patrick, town collector of Nameoki township, said he expects to complete preparation of tax bills early next week and tentatively plans to begin tax collections on Monday, June 15.

As usual, Nameoki township tax collections will be made at the Granite City Trust and Savings bank during regular banking hours, Patrick said.

Nameoki Tax Higher

Patrick is charged with collection of $1,766,596 this year, an increase of $188,015 over the tax bill of $1,578,581 last year.

Frank Reidelberger, town collector of Venice township, is expected to begin preparation of Venice township tax bills next week, it was reported today by town officials. Reidelberger has been on vacation but is due to return this weekend. Two to three weeks usually are required to prepare the Venice township tax bills. Consequently, collections should get under way the latter part of this month.

Venice township collections will be made at the old First National bank building at Fourth street and Madison avenue which now houses combined offices for Reidelberger

Venice Bill Up

Venice township taxpayers will be billed for a total of $3,117,689, an increase of $257,963 over the local tax extension of $2,859,726 a year ago.

In Chouteau township, where collections already have begun, taxpayers have been billed for a total of $1,252,577 in local taxes, compared with $1,177,365 in local taxes last year.

Lexow said tax bills may be paid at any time at his office at 720 Old Alton road, and that several special tax collection periods have been arranged.

These include a day-long collection period Saturday, June 6, from 9 a.m. to 5 p.m., at the Hartford village hall; at the South Roxana fire station on June 13, and at the Mitchell water district office, 745 East Chain of Rocks road, on June 27, final day of the collection period.

Gateway Council Okays Grant Request by ARCH

An application by the Alliance for Regional Community Health, Inc., (ARCH) for a supplemental grant under the federal Comprehensive Health Planning Act to finance a three-year study in the amount of $60,000, has been endorsed by the East-West Gateway Coordinating Council.

The study would explore alternative approaches to financing health care. It also is intended to demonstrate that a planning process at the community level, including providers and consumers, can integrate planning for financing health care into a total health planning process.

Fire Damages House

An unoccupied, one-story house at 900 West Madison street was damaged by fire early yesterday morning. Fire Chief Eldon Rhoads, who said the blaze was confined to the kitchen area of the residence, reported cause of the fire was undetermined. Madison firemen received the alarm at 12:50 a.m. and were at the scene about an hour.

New Christy Minstrels To Open MRF Concert Series

The Mississippi River Festival, to be staged this summer for the second season on the Southwestern campus of Southern Illinois University, will open its rock-folk concert series on Friday, July 3, with the New Christy Minstrels.

The group, returning to SIU-SW by popular demand of last year's Festival-goers, patterns its own contemporary singing style after a company of pre-Civil War entertainers created by Edwin "Pops" Christy.

Comprising six boys and two girls, the New Christy Minstrels have been aroused to protest against the protestors and, according to a spokesman for the group, "are taking their objections to scores of college campuses, to the nations concert halls and to their television audiences."

"We are not a bunch of naive do-gooders," the spokesman said, "but we're definitely against no-gooders, the easily-led democracy-knockers who pit their untrained minds against the experienced thinkers of this country."

Second on the rock-folk attraction list for this year's Mississippi River Festival is Cannonball Adderly, who will appear at SIU-SW on Friday, July 10.

The recording artist made his debut in 1955 at Cafe Bohemia in New York City. In 1959, he won the New Arto Star of the Year award from Down Beat magazine. Adderly has appeared at the Newport Festival and in jazz programs in London.

A seven-piece rock band, the Chicago Transit Authority will perform at the Festival Wednesday, July 15. The recording director refers to the seven artists as "a creative community."

Folk singer Judy Collins is scheduled for Aug. 5. She made her professional debut in 1959 in Boulder, Colo. and has appeared in concerts and clubs throughout the U. S. and Canada.

The radio, television, recording artist has performed at the Newport Folk Festival, Orchestra Hall in Chicago and Town Hall in New York City.

Closing the rock-folk series Aug. 12 will be The Band, which performed to an overflow audience at last year's festival and which was joined by a surprise appearance of the inimitable Bob Dylan.

The Band's "Big Pink" music has been described as simple, complex, rich and spare, "the outgrowth of a country-rock heritage strengthened by the guttiness of soul and made fluid by the lyricism of rural folk."

Other programs on tap for the young crowd this summer are Jefferson Airplane, July 24, and Delaney, Bonnie and Friends, July 29.

"God and Only Cause and Creator" with quotes from the prophet Isaiah will provide the lesson sermon of the 10:45 a.m. Sunday services at the First Church of Christ, Scientist, 2560 Delmar avenue.

Shoplifter Caught

A juvenile shoplifter was caught at Kozyak's market, 2600 Nameoki road, and was referred to his parents, it was reported at 3:15 p.m. Tuesday.

Hits Traffic Signal

To avoid striking a pedestrian who walked in front of her car, Lorraine A. Summers, East St. Louis, swerved her car into the traffic signal at 12th street and Madison avenue about 4:55 p.m. Tuesday, Madison police reported. The driver said she was northbound on Madison avenue when a woman pedestrian walked in front of her car against the light.

E-W Gateway Endorses Long-Range Project

A proposal for federal aid in the amount of $13,400,600 for the improvement of Route 55 in Madison county (U.S. Route 66, Route 190 from the Macoupin county line south to the interchange with Interstate 270) has been approved by the East-West Gateway Coordinating Council.

Total cost of the project is $14,934,000, including cost of right-of-way. The project is included in the Land Use and Thoroughfare Plan for Madison county now being developed by the Southwestern Illinois Metropolitan Area Planning Commission.

The proposed improvement is a part of the continuing effort to upgrade Route 55 to interstate standards. Two grade separations are included in the plan. Council members commented in endorsing the project that the proposed improvements are consistent with the 1990 Major Thoroughfare Plan for Madison county.

Stop Sign Ticket

Joseph C. Crimi, 1638 Delmar avenue, was issued a stop sign violation ticket at 6:45 p.m. Monday at St. Clair avenue and Edgewood drive.

Theft from Auto

Joe R. Youngman, 2630 Iowa street, reported that someone removed the right rear door of his 1970 station wagon by prying on it and using a wrench while it was parked at his home between 7:30 and 10:30 p.m. Tuesday. Taken were the battery and alternator.

Two Traffic Tickets

David R. Tackett, 1034 West 20th street, was ticketed for driving with an improper muffler and driving without state license plates at 9:50 p.m. Tuesday at 20th street and Niedringhaus avenue.

Malone Named Chancellor at SIU-Carbondale

Willis E. Malone, a Hamilton county native and 31-year member of the Southern Illinois University faculty, has been named acting chancellor of the SIU-Carbondale campus.

The appointment is effective immediately. Malone will temporarily replace Robert W. MacVicar, who becomes president of Oregon State University on July 1.

Malone was selected Wednesday by SIU's board of trustees from a list of nominees submitted by SIU's Chancellor's Search committee. The committee also is working with SIU President Delyte W. Morris in the quest for a permanent chancellor for SIU at Carbondale.

Malone was a supervising teacher in rural education at SIU while studying for his bachelor's degree at the University. He received it in 1940 and won a master's degree in elementary education the following year at Northwestern University. He was awarded the doctoral degree by Ohio State University in 1950.

Before graduating from SIU, Malone had taught in Hamilton county, where he was born in 1912.

Since 1964, he has been an assistant for academic affairs in the vice-president's and later the chancellor's office at Carbondale. He was SIU director of admissions from 1955 to 1960 and for three years after that was chief of party for SIU's first educational mission in South Vietnam.

Malone inspected the University's overseas contract missions on a round-the-world trip in 1968.

In earlier years, Malone was assistant dean and chief academic adviser for the College of Education.

He is married and has three married daughters.

GI Loan Deadline July 25, VA Warns

World war II veterans who have not used their GI loan guaranty benefits, and whose loan eligibility has not already expired, have only until July 25 to take advantage of the program, John B. Naser, manager of the Veterans Administration Regional Office in Chicago, reminded veterans today.

Naser said the final cut-off date for world war II loans will affect about 2,140,000 world war II veterans who thus far have not used the benefits of the program, but the deadline does not affect eligibility for loans for those in military service since 1955.

Loan guaranty benefits are governed by individual expiration dates, based on dates of military service and length of service. Under the law, however, there is an overall July 25 cut-off date for veterans of world war II.

The VA advised veterans who do not know their expiration dates to get in touch with the nearest VA office if they are seeking a GI loan. Discharge or separation papers should be available at the time of contact, Naser said.

Veterans who know their loan guaranty terminal dates, but whose applications cannot be submitted to VA before the July 25 deadline, should have their lenders write or telephone their VA officers to explain the problem, Naser said.

More than 75 million loans amounting to $77 billions have been guaranteed by the VA since the program was initiated following world war II. Under the program, the VA guarantees up to 60% (not to exceed $12,500) of the outstanding balance on home loans for veterans.

Charles Wilson Jr., 5, Succumbs to Cancer

Charles W. Wilson jr., five-year-old son of Mr. and Mrs. Charles W. (Marie) Wilson of 818 24th street, died Monday at Cardinal Glennon Hospital in St. Louis of cancer. Ill for six months, the child had been hospitalized for two hours.

Born in St. Louis, the boy moved here eight months ago with his parents. He attended a Baptist church.

In addition to his parents, survivors include a sister, Cynthia Marie Wilson, one-year-old; grandparents, Mr. and Mrs. Edward Witham and Mr. and Mrs. Wesley Wilson; great-grandparents, Mrs. Mary Wilson and Mrs. Mary Studenski, all of St. Louis; an uncle and aunt, Mr. and Mrs. William Dyer of St. Louis.

Funeral services were conducted today. Arrangements are given in today's obituary column.

MORE ABOUT
Petitions

ment, but lost out to Sasyk in secret balloting by a vote of 20-5.

Mrs. Lewis in Race

The other candidates are Moore, and Mrs. Louise Lewis, 1624 Fourth street, widow of the late Associate Circuit Judge Austin Lewis who before his death played a leading role in the Madison and Venice township political picture.

In his complaint attacking Kozielek's petitions, Bridick charged that it is his belief that there are signatures on the petition that "were not, in fact, signed by the various persons whose names appear," and that some signatures were "written by a person or persons other than the individuals whose names appear" on the petition forms.

Bridick requested a hearing on the sufficiency of the petitions by the municipal electoral board which, under the municipal code, is made up of the mayor, (Kozielek), the city clerk (Bellcoff), and the city council member having the longest period of service, which in this case is Fifth Ward Alderman John Haynes.

The law also specifies that in instances where any member of the electoral board is a candidate involved in issues before the board, he must be replaced by a member appointed by the circuit court.

Court Names Schuman

Bellcoff said that after all principals in the matter were served with the proper papers, a petition was presented Tuesday to Chief Circuit Judge Joseph Barr, who appointed Associate Circuit Judge Fred Schuman of Granite City to sit on the electoral board in Kozielek's place.

At the same time a hearing by the electoral board on Bridick's charges was scheduled for 1:30 p.m. Monday in Circuit courtroom No. 5 at Edwardsville.

The law provides that nominating petitions filed by mayoralty candidates in Madison must contain not less than 188 signatures, nor more than 188. Kozielek's petitions contained a total of 175 names.

Kozielek described the contest of his petitions as "purely politics" and said, "I'm sure they'll find my petitions all in order. If there were any infractions of the technical rules, I know it was done unwittingly."

Right to Object

"Of course, they have a right to object," Kozielek added, "but I always believed that if a person wanted to run for office, he should be permitted to do so. A write-in candidate can conduct a campaign and have his name written in without having filed any petitions at all."

Moore said that he was notified that he had been relieved of his duties as a driver's license examiner as he was leaving the Granite City examiner's office about 4:30 p.m. Monday.

The notice, he said, came from Frank Smith, manager of the office, on instructions which, Moore said, were telephoned to Smith by Ellwyn Barnett, chief examiner of Powell's office, about ten minutes earlier.

"I was getting in my car outside the office (in Granite City) about 4:30 p.m. when Smith came out and stopped me," Moore said. He said Barnett had called and instructed him to tell me 'that's all' for my job. Smith asked me for my key to the office. I gave it to him and left."

Moore said that he understood Smith to mean that he had been dismissed outright from his job as license examiner.

Smith declined to discuss the matter yesterday and said all information on Moore's removal " would have to come from Springfield."

Says Moore Not Fired

At Springfield, Cherry told the Press-Record that Moore was not "fired" from his job, but was "taken off" the job on a leave of absence which is required in all instances in which employees of the secretary of state's office become candidates for public offices.

Cherry said he talked with Moore about a week ago, shortly after Moore filed petitions as a candidate for mayor, and pointed out to him that he would have to "take off" if he became a candidate and remained in the race.

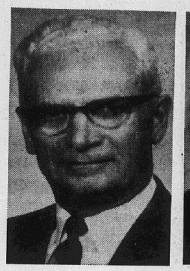

Cherry admitted that he called Moore again about 4 p.m. Monday and asked him if he had withdrawn, and when Moore told him he had not, again reminded Moore that he would have to take off from his job. That was half an hour before the withdrawal deadline.

Barnett Gave Order

Twenty minutes later, Moore said, Barnett called Smith at the Granite City office and relayed the message that Moore was to be taken off the job. Barnett could not be reached for comment.

Cherry said that Moore would be replaced on the employee eligibility list after the election, if he is defeated, but will have to wait his turn for re-employment as jobs develop.

Moore said that he plans to file an exception to the removal order with Secretary of State Powell and ask for a hearing on grounds that other candidates in previous elections were not required to take leaves of absence. He cited several instances in which license investigators and license examiners ran for precinct committeeman posts in the primary last year, and remained on the job during the campaign period.

H. D. KARANDJEFF

MRS. ALBERT KAESER

SIU-SW to Honor Karandjeff At Commencement June 13

Two area residents will be honored June 13 at Southern Illinois University commencement exercises at the Southwestern campus.

Mrs. Albert Kaeser of Highland will be awarded the honorary doctor of literature degree, and Henry D. Karandjeff, chairman of the board of Granite City Trust & Savings Bank, will receive the Distinguished Service Award.

Commencement exercises at SIU-SW will be held in the Mississippi River Festival tent, beginning at 7 p.m. with a concert by the University Symphonic Band. The processional will start at 7:20 p.m. In the event of rain, the ceremony will be held in the University Center Ballroom.

Karandjeff was born in Smardesh, Macedonia, and came to teh United States in 1906, when he was 12, settling in Granite City.

Although his formal education has been limited, he has taken extension and postgraduate courses in banking and finance at St. Louis, Washington, Rutgers and Northwestern universities and the American Institute of Banking.

He has been with the Granite City Trust & Savings Bank since 1911. Other business activities include: chairman, American National Bank of Granite City; chairman, Baughman-Oster Manufacturing Co., Decatur; president, Industrial Roller Co., Smithton; and president, Sunset Hill Trust Estate.

His record in community and civic activities includes serving on the board of Illinois Hospital Service, Inc., Rockford; board, Protestant Welfare Association; chairman, Horseshoe Lake State Park Commission; county chairman, U.S. Treasury Department Savings Bonds Division; elder, First Presbyterian Church of Granite City, and the board of McKinley Presbyterian Foundation, University of Illinois.

Karandjeff has served on various committees of the American Bankers Association and the Religious Council of SIU. He is a member of the Granite City Optimist Club; past president, Madison County Mental Health Society; past president, Granite City YMCA and now a member of the board; member, Executive Council of Cahokia Mound Council, Boy Scouts of America; member, Tri-City Regional Pork District Board; and president, United Fund, Inc., of Tri-Cities.

He is also president of the Southwestern Illinois Metropolitan Area Planning Comission and a member of the Salvation Army, Illinois State Chamber of Commerce, and Illinois Housing Authortiy.

Mrs. Kaeser attended Highland public schools, going from there to the University of Illinois preparatory school in 1895. She received her B.A. degree from the University of Illinois in 1900 and in 1901 was awarded a master's degree in bacteriology. She was a teaching assistant in bacteriology at the University in 1903-04 while doing work on her doctor's degree, which was interrupted by her marriage in 1907 to Dr. Albert F. Kaeser, also a native of Highland.

Her father was one of the developers of the evaporated milk process and the Helvetia Milk Co. which later became Pet Milk Co. Her interest in the University of Illinois has continued, but her philanthropic gifts have never been confined to one campus or one library or one community. Some of her philanthropies include scholarship funds and a surgical wing for the hospital in Highland. She and her family built a public library for Highland as a memorial to her father.

When the Southwestern campus of SIU came into being, Mrs. Kaeser became interested in Lovejoy Library. It was she who presented the library with its millionth book. Since that time she has given other valuable and rare books.

In her ninetieth year, she completed translating a virtually unknown German book, "Geschichte der Anfiedlung von Highland" by Solomon Koepfli, written in 1859 about the Swiss settlement of Neu Schwiezerland in Illinois, known today as Highland. When she finished her 35,000 word translation she presented it to Lovejoy Library. The University plans to put this book and two other rare early Highland books given by Mrs. Kaeser in one volume.

Collide in Madison

A collision at Fourth and State streets, Madison, about 2:50 p.m. yesterday, resulted in damage to cars driven by Tamus Gates jr., East St. Louis, and Marion F. Lewis, Troy, Madison police reported. The mishap occurred as Gates was headed west on Fourth street and making a left turn, and Lewis was driving north on State.

Turns Right, Struck

Making a right turn off Route 3 into the RC Cola Co. plant, an auto driven by David Taylor, 108 Roosevelt drive, Eagle Park Acres, was struck by a car driven by Jack Holcomb, Bethalto, which had passed a truck at 3:55 p.m. Wednesday.

Rear of Auto Struck

An auto driven by Margaret Mank, 2801 Sunset drive, struck the rear of a car driven by Phyllis M. Brewer, Houston, Tex., at 4 p.m. Thursday at 2406 Pontoon road.

Fire at Miller Home

A $1750 fire May 30 was at a 2522 Iowa street home occupied by Herbert Miller and owned by Lawrence Arnold, Miller reported this week.

Three Tapes Stolen

John Kincer, Caseyville, reported at 5:50 p.m. Wednesday that three tapes were stolen from a console in his unlocked auto while it was parked at the Nameoki Village shopping center.

Auto Window Shattered

William Bridges, 2063 Rhodes street, reported at 8:20 p.m. Wednesday that the rear vent window of his auto was shattered while it was parked in front of his home at about 3:30 p.m.

Home from Hospital

Lee Lorentz of 2807 East 24th street, returned home Tuesday from Missouri-Pacific Hospital, St. Louis, after seven days treatment for a back injury.

Aid Route 35, at a cost of $400,000, including right-of-way costs.

Kronst noted today that the freeze had not delayed the purchase of right-of-way for construction of the next stretch of the Great River Road (FA Rt. 151) from Niedringhaus avenue in Granite City to Venice. Kronst said most of the right-of-way has been obtained during the past year, with exception of a few parcels of railroad property.

The end of the freeze will permit the scheduling of future construction work on the River Road project, however, with resumption of work probable early next year, Kronst said.

Lifting of the freeze was ordered despite the fact that Gov. Ogilvie's program, which provided a plan of training and employment for blacks on construction jobs, was signed by only one of the six unions involved in the issue.

The governor's plan was signed by the Southern Illinois Builders Association and the Metro-East Labor Council, which represents the Negro community, with exception of the Teamsters Union, labor leaders refused to go along with it on grounds that training aspects of the proposal interfered with their apprenticeship programs.

Two other unions, the cement masons and operating engineers, have stipulated in consent decrees filed in U. S. district court cases that they will cooperate in anti-discrimination measures, although they have not signed the plan advanced by Ogilvie.

The other unions involved are the ironworkers, laborers and carpenters. Ironworkers Local 392 was named in a U. S. District Court suit Tuesday on charges of racial discriminatory practices.

Senator Smith said representatives of the contractors and the Metro-East Labor Council met with Volpe in Washington last Thursday after promises by union representatives to file an alternative program failed to materialize.

He said several changes were made in the Ogilivie plan and that have been accepted by the contractors and the Metro-East Labor Council. Modifications in the plan included a training program for six basic highway industries without age restrictions, it was reported.

Taxpayer Group Expanding, Cites 24-Year 1000% Hike

The Tri-Cities Chamber of Commerce board voted Tuesday night to join with the Retailers, Manufacturers and possibly other groups in serving as co-sponsors of the Tri-Cities Taxpayers Public Expenditures Survey Group.

Purpose of the Taxpayers Group will be to "stimulate citizens to act for better government."

In formally pledging its support, the Chamber noted that the Taxpayers Group has "undertaken the task of focusing the spotlight of public attention upon the increasingly serious local tax problem at its source —public expenditures."

The group "proposes to scrutinize every dollar of public expenditure so that waste, inefficiency and duplication shall be eliminated and taxes reduced, or more worthwhile governmental services secured without increasing the already heavy tax load.

Non-Political Approach

It will strive to "foster economy and efficiency in public administration without prejudice, partisanship or politics in the interest of improving the economic status and standard of living of citizens in the community."

Factors cited in the resolution adopted included:

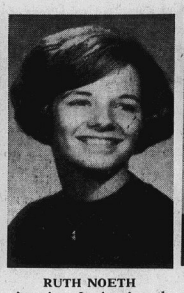

1. Local real and personal property taxes in the Quad-City area have experienced a "severe and unprecendented increase spiral and have risen three and a half times as fast as the rise in the cost of living since 1946."

2. The tax rate rise has been magnified by "an even greater increase in the level of assessed valuation of taxable property and has produced almost 1000% more local real and personal property tax dollars in 1970 than were collected in 1946."

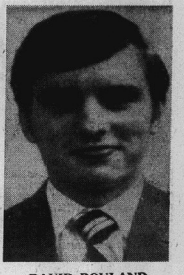

3. The burden of "these unprecedented and continuing property tax increases has not only fallen upon the residential property owner but also has begun to affect the profitability of local businesses and industries."

in the business district, and depot employees are making regular contributions, it was reported.

Announced earlier Wednesday was the resignation of Gilbert Novotny as president of the SODA executive board. A meeting of the board is to be called next week to elect a new president. Novotny said he was resigning on the advice of his doctor who instructed him to immediately reduce all his activities.

A delegation of SODA auxiliary members was present for Monday night's meeting of the Granite City council and called for support of the aldermen and mayor.

Partney replied that he had advised Novotny that all information the city has on economic and other problems that would result from closing the depot is available in his office. He added that he named a citizen committee to help save the depot. Partney said, however, he would not permit his name as mayor to be placed on any letterhead.

Hoskin reported last night that he had met with the mayor Tuesday night and that SODA and the mayor's committee will work together in the effort to keep the Army depot open.

Two-Car Collision

Cars driven by Van W. Dunlap, Tilden, Ill., and Leo Horton, 306 Hill street, Eagle Park Acres, collided at Sixth street and Madison avenue about 4:45 p.m. yesterday, police reported. Dunlap was driving east on Sixth street and Horton was northbound on Madison avenue when the mishap occurred.

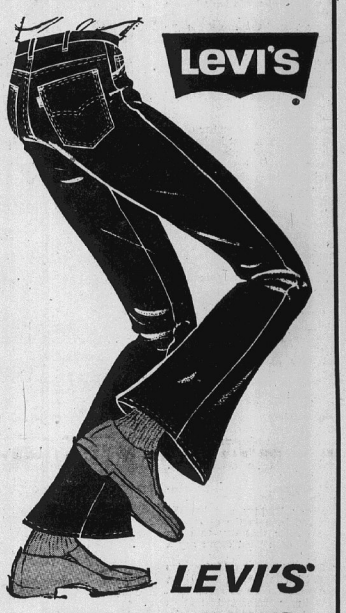

$20 Bill Stolen

Jodeen Henkle, 1739 Delmar avenue, reported at 6:45 p.m. Monday that someone stole a $20 bill she had left on a dresser while she was gone from home Sunday.

Hole Shot in Window

Butch Peterson, 3243 Willow avenue, reported at 10:10 p.m. Tuesday that someone shot a hole through the left rear window of his 1965 station wagon between 7:30 and 9:30 p.m.

tion that got the city in a mess before, when the council abolished the office of comptroller.

"Here it is June and we still have no year-end financial report — a report that was due May 15 — and the federal government soon will be here to audit accounts on its grants of funds to the city.

"We've been without a financial expert for a month, and we might have future federal grants denied if we can't show where every penny is."

The mayor continued that about $75,000 worth of city checks went through without the mayor's signature on the voucher.

Calls for Explanation

Nonn called for an explanation of the $75,000, and then stated, "The clerk's job is an important one, and this bickering won't solve the city's problems."

The mayor pointed out he has made it a practice to hand sign every voucher. "I don't want a rubber stamp; I threw it away, so I would have to sign every check and be able to know where the money is going."

Partney continued that it is necessary for all vouchers to be signed by the mayor and clerk before checks are issued.

City Treasurer E. R. "Pat" Rich was called upon.

He explained an error had been made by a member of his staff. He added that he had given explicit instructions that no check was to be placed on his desk until the voucher was approved by the mayor. He added that the $75,000 involved was for fund transfer that had been approved to meet the payroll.

Partney said the council in other instances had help up payments to embarrass him. "You may try to do that, but you're really hurting the taxpayers.

Finance Expert Needed

"Right now we need a city clerk with a financial background, and when those federal auditors get here, the city better have a double set of books, as required by law," the mayor stated.

Entering the discussion, Alderman Green said he had heard several reasons for Pendleton's resignation. "When we talked to him about taking over the duties of the comptroller, he always said he could do it. Every man in this room is due an explanation from Pendleton."

Mayor Partney said Pendleton had been in the clerk's office earlier that day to clean out his desk "and didn't say a word."

Other aldermen said they also had tried to contact Pendleton, but were unable to reach him.

Whitmer remarked that a year ago, when the council decided to abolish the office, Pendleton told him that he could do the job with proper help. Partney added that he had advised Pendleton at the same time that there was a year (May 1, 1969, to April 30, 1970) for the clerk to become familiar with the comptroller duties.

"Cal told me than," the mayor added, "that he wasn't going to keep a set of books."

Basarich remarked that the comptroller did not leave the job until April 30 and "should have had the year-end report completed."

Nonn again called for a halt to "all this bickering.

"Three Big Problems"

"It has got to stop, We have three big problems to be settled — Who names the chiefs, the legality of the mayor's appointment of women to police duties and whether the mayor and 16 men can sit down and pick out a clerk who can do the job — and keep politics out of it."

Mayor Partney then announced the appointment of Stevens as city clerk from June 1 to April 30, 1973. "This gentleman can take care of the job."

Poulos asked, "Aren't we going to wait for the legal opinion?"

He was answered by Alderman Rutledge, who remarked, "It takes 15 days to close out the previous year's books. This is something that has to be done. I think the mayor's appointment is a good one. Stevens is a qualified man and can do the job. I move to concur in the appointment."

Nonn asked, "Where does Mrs. McLester stand? Will she be retained?" (Mrs. Virginia McLester is deputy clerk by appointment of the city clerk.)

Partney replied, "The clerk has the right to name his people, but there'll be no problem there."

Boyd spoke up, saying he could not go along with the appointment for two years and 11 months. "I would vote for 30, 60 or 90 days. If I accept this, I'd deny the public an election."

He was answered by Boker, who remarked, "No man with qualifications would take on this volume of work for 30 or 60 or 90 days. Lord only knows the city situation — we don't know ourselves."

Partney added, "The problem won't go away."

Moerlien said the council could not act while the motion for a legal opinion — ruled out of order by the mayor — still stood.

Boker commented, "You can keep on bickering, but no intelligent man would take the job on a temporary basis."

A legal opinion was sought directly from Scroggins, who said the law does state that the mayor may appoint the clerk.

Moerlien remarked, "May is optional; shall is compulsory."

In reply to Boker, Dallas said, "When you take my bickering away, I don't want to be a councilman anymore. We don't want 16 ayes, we need to vote our convictions."

Boker answered, "I didn't say we can't argue, but we shouldn't be disagreeable just to be disagreeable."

The discussion then turned to city finances, as the debate continued for nearly an hour. Alderman Green remarked, "The Press-Record is blaming the council for the city's financial condition, when it's the sewer breaks that caused it. Without the breaks, the city would be in the black."

Mayor Partney, in answer to Green, said the sewer breaks cost now totals nearly a million dollars.

As the discussion continued, Moerlien called for a point of order.

The mayor was asked if Stevens would take the job.

"I talked to him yesterday. He has other offers, and we should remember, he's the only one who can walk in here and do the job for us — just pick up where he left off."

Stevens is a graduate of St. Louis University school of Commerce and Finance and formerly was employed for 16 years as senior accountant at Granite City Steel Co. His father, the late A. L. Stevens, also held the job of city clerk.

The 14-to-1 roll call vote was taken.

Mayor Partney remarked, "Thank you, gentlemen."

Mr. and Mrs. Smock Are Parents of Son

Mr. and Mrs. Charles Warren Smock of Holiday Mobile Homes, Rural Route One, Box 44, are announcing the birth of their first child on May 30 at DePaul Hospital, St. Louis. The new arrival, a boy, has been named Charles Timothy and weighed eight pounds, nine ounces.

Paternal grandparents are Mr. and Mrs. Charles Smock of 2142 Johnson road, and the maternal grandparents are Mr. and Mrs. Charles Smith of St. Louis.

Story Hour to Begin At Madison Library

Summer "Story Hour" at the Madison public library will begin next Tuesday and continue through June, it was announced today by Mrs. Louise Lewis, head librarian.

The twice-weekly sessions for children who are attending kindergarten through third grade will take place from 1 to 2 p.m. at the Madison library building, 1700 Fifth street.

Mrs. Lewis today asked parents of youngsters wanting to attend the story-telling sessions to call the library, at 876-8448, and register the child. "We would like to know how many children to plan for, to determine the number of staff members required," the librarian pointed out.

Assisting Mrs. Lewis in the program will be Mrs. Dolores Gasho, assistant librarian. Last summer, atendance averaged 50 children at each session.

PLAN TEA FOR PARENTS

Junior Girl Scout Troop 704 of the Webster PTA met Monday, opening with the pledge of allegiance, promise and "America" led by the Seven Stripes patrol. Leaders are Mrs. Mae Lee and Mrs. Betty Van Gilder.

The scouts discussed an international court of awards and a get-acquainted tea for their parents June 8 from 7 to 9 p.m. Each patrol held a practice session for a foreign program it will perform for the guests. Invitations were made for the event, which will end the regular meetings for the school year.

Plans were made for several summer activities, including a cookout at Camp Lakota July 6 with Marshall PTA Junior Troop 709 led by Mrs. Mary Miller. The scouts will attend a ball game in St. Louis July 23 and hold a swimming party in August. Each patrol signed a get well card for a member, Mary Kap Chapline, injured in an accident recently.

The meeting closed with "Taps". In attendance were Cheryl Brinkley, Enid Cox, Dannia and Tammy DePew, Julie Forys, Carmen Johnson, Carina Kuhn, Donna Long, Carolyn Norris, Shirley Patton, Linda Pool, Karol Lee, Rebecca Schorfhiede, Shelley Siebert, Leisa Tervasi, Janice Van Gilder, Susan Welty and new "flyup" members, Suzan Buente, Jackie Chapline, Cindi Ferguson, Becky Grimes, Lori Nemeth, Robin Pilch, Robyn Starks, Lori Taylor and Cheryl York.

BRIDGING CEREMONY FOR GIRL SCOUTS

Approximately 60 leaders, Junior and Cadette Girl Scouts and their guests took part in a "bridging ceremony" at Prather junior high Monday evening with troops from Emerson, Logan, McKinley, St. Joseph and Washington schools.

A candlelight ceremony highlighted the program. Cadettes who participated were Sherrel Barton, Theresa Basdin, Charlene Bennett, Bonita Davis, Theresa Hancock, Kathy Justice, Janet Gafford, Mary Stanfill, Anita Wilson and Karen Zimmerman. Each scout lighted a candle as the girls renewed the ten laws.

Mrs. Pat Rigney and Mrs. Doris Woods, who will be leaders of a new Cadette troop at St. Joseph, welcomed Rhonda Bailey, Sharon Milton, Dawn Woods, Mary Burns, Lois McClelland, Vicki Pieper, Debbie Vasiloff, Mary Yureck, Margaret Clark, Patricia Perdue, Kathy Stanfill, Starr Condis, Linda Lindsay, Debbie Doty and Rae Ann Stanton from Junior Troops 104, 11 and 289.

Scouts who "bridged" from Junior Troops 45, 630 and 734 were Darlene Helmes, Darla Carney, Judy Whittaker, Robin Browning, Sheree Jones, Debbie Nesport, Pamela Collins, Kathy Ambuehl, Vikki Sexton, Patti Taylor, Diane Pickett, Rhonda Meyers and Darlene Connors, who were welcomed by Mrs. Margarette Barton, leader of Cadette Troop 234.

Mrs. Norman Walton was in charge of a game period and refreshments were served, preceded by the Johnny Appleseed grace sung in unison.

The program closed with a wishing well and the scoutmaster prayer given by Mrs. Barton.

Mrs. Wood, who is also chairman of Neighborhood Two Girl Scout leaders, reminded the scouts of a bus trip to the Jesse James territory Saturday for all age levels of scouts. The troops will assemble at St. Joseph's at 7:30 a.m., will depart at 8 a.m. and will return at 5 p.m.

Others attending were leaders, Mrs. Venka Ambuehl, Mrs. Rosemary Ortiz, Mrs. Pat Doty, Mrs. Jean Edwards, Mrs. Eleanor Gafford, Mrs. Gloria Wofford and Mrs. Mary Cook, and guests, Mrs. Georgia Bobbitt and Mrs. Mary Wright.

GC Seeks Record 7th State Baseball Title for Southwest Conference

Baseball Warriors are to meet Lane Tech, the Chicago City champion, at 4 p.m. today in the quarterfinals of the state championship tournament at Peoria.

Jeff Boyles, with an 11-1 record and 1.55 earned-run-average, is to get the starting pitching duties. Lane Tech's best chance to touch Boyles for hits may be in the first inning; he gets tougher as the game progresses.

Lane will probably start Jim Duszak (7-1), who has been known to lose accuracy in pressure situations. He is supported from the bullpen by undefeated pitchers Fred Graham (7-0), Jim Iwanski (3-0) and Henry Ilanai (2-0).

Boyles' bullpen support also is substantial. Ron Simpson, Ned Tapp and Ed Hagnauer all have ERAs of less than 2.00.

If the Warriors beat Lane, Hagnauer is the most likely starter for the Friday semi-final. He is undefeated in seven outings.

Pekin Experienced

Chicago Schurz won the state crown last year but did not gain a state berth this year. Pekin, which lost to Schurz 6-3 in the title game, is the only returning team. Bradley is the only club making its first appearance in the quarterfinals.

GCHS, 26-6 and with a 17-game winning streak, has a chance to make the Southwestern Conference the winningest league in state tourney baseball.

Southwestern loop teams have taken six state titles, tied with the Suburban Chicago league, which also has won six.

Morton East is a Suburban Chicago school and is the tourney favorite this year. The Granite City-Lane victor is bracketed to meet the Morton East-Pekin victor in the semi-finals.

The Chicago Public league, of which Lane is a member, has worn the crown four times.

Lane Biggest in U. S.

If school enrollments were directly translatable to team strength, Lane would be the tourney favorite. Its enrollment is over 5200, the largest all-boy high school in the U. S.

By a quirk of fate, GCHS Assistant Coach John Modica is a Lane Tech alumnus. He was a sophomore second baseman on the Lane team that visited state in 1967.

Warriors have more indirect state tourney experience going with them. Mike Wilson, possibly to play a pinch-hitting role today or tomorrow for Granite City, is the son of Walter Wilson, starting centerfielder on the 1948 GCHS state champion team.

Today's lineup: Don Harris (.299), second base; Rich Schardan (.292), shortstop; Dave Evans (.330.), catch; Jim Greenwald (.359), rightfield; Gary Stitch (.263), third base; Gary Willis (.296), first base; Jerry Monahan (.293), centerfield; and Bill Parks (.267) leftfield.

.302 Team vs. .321

As a team, the Warriors carry a .302 average. Lane's team is batting .321, led by catcher Larry Swakon's .450.

Before the post-seaason tourney series began, Granite City was hitting .329. But in tourney contests, it has barely kept a .200 average. Coach Garbe believes the hitting slump is due to break for the better.

Seady pitching, sharp fielding and clutch hitting have kept the Warriors winning, gaining the fourth state berth in GCHS history.

Ironically, the Warriors were eliminated in tourney series last year by a home run. At the regional level, Alton Redbird Randy Bailey socked a grand slam in a 6-3 game.

Never Say Die

This year, two home runs by Greenwald lifted Granite City to wins in two tourney contests.

GCHS has had to come from behind to win in each of the six tourney contests to date. In two games, the clutch runs were driven in by sophomore Parks.

Sophomore Coach Robert Stegemeier will continue his job as chief scout for the Warriors today and tomorrow.

State Baseball Tourney Pairings

All games will be played at Bradley University's Meinen Field in Peoria:

RAINY LAST PRACTICE FOR STATE-BOUND WARRIORS. Rains the past few days all but prevented Granite City high school's baseball team from having final brush-up workouts. Just before the Warriors boarded the bus to Peoria yesterday afternoon, a morning-long downpour abated long enough for a brief, muddy practice, with the players wearing tennis shoes and assorted old gym clothes.

In the photo at left, Warriors warm up their throwing arms, picking high spots on the turf to avoid puddles. Left to right are hard-hitting rightfielder Jim Greenwald, fleet centerfielder and baserunner Jerry Monahan and (foreground) agile first baseman Gary Willis. In the right photo, Assistant Coach John Modica (left) watches the damp batting practice; Pitchers Ned Tapp (center) and Ed Hagnauer (right) use towels to dry and wipe mud off the baseballs as they also keep eyes on the batter.

MENTOR AND MOIST MOUNDMEN. GCHS Head Coach Gale Garbe (left picture), a pitcher in his prep and college days, throws for batting practice during yesterday's nearly rained-out practice. All-state pitching candidate Jeff Boyles (center) throws and attains his characteristic pose described by some as "a bird in flight." Boyles, due to his long legs, was nicknamed "the crane" during the basketball season. At right, hurler Ron "Deacon" Simpson jokes by taking an overconfident catching stance momentarily while shagging fly balls in the outfield during batting practice.

Tourney Teams Have Impressive Records

If the GCHS baseball team wins its quarterfinal state tournament tilt today at 4 p.m., only two more games will stand between the Warriors and the state championship.

In semifinals at 11:30 a.m. Friday, GCHS would face the winner of today's Pekin-Morton East encounter.

Morton East (15-4), the tourney favorite, is led by pitcher-first baseman Art Greskowiak (.379). He has a 4-0, 1.53 ERA pitching record. Other top batsmen are Don Bianco, .348, and Jud Olmstead, .349. Hurlers include Larry Wierner 5-1, John Asan 3-0, Tony Scilingo 4-2 and Bob Kokinnes 2-1.

Pekin's (20-9) Mike Mathews is another hitting pitcher; he boasts a .387 average and an 8-1, 1.80 ERA mound record. Roger Prouty also is 8-1. Rightfielder Joe DeFrates is hitting at a .378 clip.

The four-team bracket that does not include GCHS is possibly the weaker of the two brackets. But the squads have impressive statistics.

Bloomington's (21-8) pitching staff is headed by junior Robin Cooper, 11-2 — and .330 at the plate.

Elgin (17-3) has a tough righthander, Rick DeMay, 8-0 and 0.69 ERA. Chuck Wasinger is hitting .341.

Bradley (17-7), riding a nine-game winning string, has two .400 hitters in Mike Peters and Greg Easterbrook.

Mounds, with the best record at the tourney of 20-1, has Stan Kerby, undefeated in 11 outings, and Donnell Wilson, hitting .411.

MHS State Entry in 1942

Warriors 1st in 1948, 2nd in '63 State Meet

Granite City, playing today in the state quarterfinals, already claims several spots in the state baseball tournament record book.

The most prominent claim is the 1948 championship under Coach (now school principal) Lawrence McCauley.

Additional honors were earned by Coach (now Granite City school athletic director) Joseph Fedora's 1963 Warriors, who took second at state, and during the GCHS 1950 state visit, again under Coach McCauley.

With an 8-7 season record, the '48 state champs in the tourney beat Peoria Manual 2-1 and Skokie Niles 7-2 and for the title defeated New Athens 4-1.

Five Granite Cityans were named to the all-tournament team: third baseman Art Borchers, shortstop Jim Tadich, left fielder Conrad Champion, centerfielder Carl Linhart and pitcher Rudy Diak.

Borchers, Linhart and Warrior First Baseman Trenton Jones tied for tourney leading hitter honors, each with a .333 batting average. Borchers slugged a homer and had three runs-batted-in.

Linhart Record Still Stands

Linhart hit two triples, for a still-standing individual one-game record. He pounded the triples in the final game.

All-tourney shortstop Tadich notched a less noteworthy title game record. He was credited with three errors in the nine-inning contest.

The umpires had very critical eyes that year; 40 errors were called in 1948, the third highest total of errors in the tournament's 30-year history.

In 1950, Granite City bowed out in the quarterfinals, losing to LaGrange Lyons 10-0. The fame was shortened to five innings by the ten-run-lead rule.

The 1963 Warriors toting a 23-8-1 season record, nearly went all the way. They beat Streator in the quarterfinals 8-3 and topped Lockport in the semifinals 6-4 but lost to Des Plaines Maine West 3-1 in the finale.

Three Warriors from the 1963 runner-up team were named to the all-tourney squad: pitcher Charles Papp, third baseman Rich Lee and first baseman Al Taylor.

Trojans Third in State

Madison made a visit to the state baseball tournament in 1942.

That year, the Trojans were without a coach; the players coached themselves. The Trojans remain the only team ever to gain a state tourney berth without a coach.

Madison won the quarterfinals contest in '42, beating Kewanee 2-1 in an extra inning. MHS lost in the semifinals to Oak Park, which became the champion. No all-tourney team was selected that year.

Twietmeyer 6th in Track Decathlon

Mark Twietmeyer, Granite City high track and field senior, earned sixth place in the St. Louis Metro prep decathlon Tuesday and Wednesday at Florissant Valley Community College in St. Louis county.

Thirty-two of the metropolitan area's top athletes competed. Twietmeyer totaled 4500 decathlon points, 15 points off the GCHS record set in 1961 by Ed Ford.

On Saturday, another sharp Granite City trackman, Mike Allen, will go to the Midwest Classic invitation meet at Mexico, Mo., to run the high and low hurdles.

Allen also is an alternate from this area to attend the June 13 Golden Midwest tournament, which draws prep competitors from a 16-state region.

Twietmeyer registered his best finish among the ten events in the 120-yard low hurdles, tying for fifth place with a 13.5 seconds clocking.

Placing higher than Twietmeyer in the decathlon were: Bob Brown, DeAndreis, 5210; Felton Bryant, Soldan, 4900; Bruce Horman, Kirkwood, 4810; Steve Ferguson, Parkway Central, 4790; and Regan Steiner, Alton, 4510.

Major Model Plane Competition Slated

Members of the Tri-City Sky Steelers will be officials and contestants in the 10th annual Gateway Championships model airplane contest to be held Saturday and Sunday at Buder Park in St. Louis county near Valley Park, Mo.

Sponsored by the Greater St. Louis Modeling Association, 88 trophies and merchandise items will be awarded in various categories of competition. Inquiries concerning the contest have been received from as far away as Denver, Colo.

Officials feel that it will prove to be the biggest model aircraft competition in this area since the 1936 national championships were held at Lambert Field.

A feature this year will be radio-controlled pylon racing similar to the old Thompson & Goodyear closed-course races of years past for full-sized aircraft.

Recent perfection of radio controls in reliability and performance now permits more than one model plane to fly in the same course.

Tri-City Sky Steeler John Blum is the director of Gateway Championships.

Other local modelers with official capacities at the weekend contest are: Bob Myers, "rat race" event director, with assistance from Don Bone and Jerry Shade; control-line scale event director Howard Ogden, with help from Henry Goetz; Frank Beatty, who will aid in the radio-control scale event; and Randall Lee, free flight event official.

For beginners in model flying, several events are scheduled. For the "very beginning" pilot, an event will be held for rubber-band-powered planes with no modifications allowed. For the "little more than a beginner, "there will be a balloon bursting contest.

Novice events will be presented in three radio-control classes.

Not all the rubber-band flying events are for those with little experience. The international Academy of Model Aeronautics (AMA) defines rules for rubber-powered planes and an event in this category will be held this weekend.

The hand-launch glider event is also not for beginners.

Paved 'Carrier Deck'

The Buder Park site has a paved AMA-approved Navy carrier deck for the several plane sizes and classes used in aircraft carrier competition.

Speed, rat racing and combat events also are scheduled.

Parking and admission are free to spectators.

Radio-controlled registration will be accepted beginning at 8:30 a.m. Saturday and until 9:30 a.m. Sunday. Registration for other events will be accepted through noon Sunday.

INTO PITCH—OUT OF SHOE. Sophomore Warrior Bill Parks, who has come through with the clutch hits in two tournament games, appears here to be stepping into a pitch and out of his shoe. Actually, the unattached shoe is just an extra, left over when the Warriors changed from cleated shoes to old tennis shoes for practice yesterday on rain-soaked grounds.

Rain Boosts

Spring avenue, walking partially on the street, suffered minor injuries when she was knocked down by an auto at 3:45 p.m. Tuesday near her home. The driver left the scene when she got up.

William C. Merchant, 20, of 2012 Harris street, Madison, complained of pains after his auto was struck by a car driven by Kathrina E. Treadwell, 2509 Iowa street, at 6 p.m. Monday at 22nd street and Edison avenue.

He was knocked out and was admitted to St. Elizabeth Hospital with pains in the left ribs. Merchant was charged with a right-of-way violation.

Objections Cited To Location of New SA Building

Strong objections were voiced to the location of the proposed Salvation Army multi-purpose building in the middle of a residential area on Johnson road during an open meeting last night at the city hall.

SA has an option on property at 3521 Johnson road where it plans to erect a one-story building to be used for character building and religious programs for all age groups at a cost estimated at $250,000.

Copies of petitions against the location, containing 234 signatures of residents of the area, were presented to Army representatives during the meeting, with the original copies to be presented to the city council at its next meeting.

Objectors cited competitive traffic conditions now existing on Johnson road which would make it unsafe for children entering and leaving the building, that there would be inadequate parking facilities on the proposed one-acre tract, that the services to be offered would create a nuisance in the neighborhood, that real estate values would be involved and that residents of the area neither need nor want the programs to be offered.

Richard M. West, president of the SA lay board of advisors, and Brigadier John Paton of St. Louis, division commander of the Midland division, said it was the intention of the Army to move into the center of population, and that sites in commercial areas were too costly.

They cited a need to expand out of its citadel at 19th street and Grand avenue, which would be maintained for other purposes as the Tree of Lights campaign and which is inadequate as a physical facility to establish their proposed program.

The objectors among the 24 persons at the meeting made it clear that they were not opposed to the Army program but felt that it should be located where it would be more accessible to persons in need of such services.

One home owner stated that he had paid a premium price and agreed to higher taxes to obtain a quiet neighborhood location and dreaded the day "when commercial facilities would creep around the curve on Johnson road."

West, who said the $255,000 building would be only a small facility, and Brigadier Paton stated that it would contain a chapel seating only 125 persons. Objectors claimed that in none of the Army's publicity in its $150,000 fund campaign was the matter of a church listed. They said they would have no objections to the location of a church only in the R-1 residential location.

Among objectors were Alderman Thomas Boker, who with West arranged the meeting, and Alderman Emerald Dawes.

After being asked if the Army would reconsider the location, West said the matter would be taken to the full lay advisory board. Brigadier Paton stressed that the board must consider available funds in obtaining a desirable location.

Jumps Curb, Hits Tree

When brakes were applied, an auto driven by Michael L. Griffith, 2908 Buxton avenue, spun out, jumped a curb and struck a tree in the 3200 block of Fehling road, tearing it down, at 5 p.m. Tuesday. The tree was the property of the Granite City school district.

There are 137 permanent and 190 temporary buildings valued at $90,371,533 on the Carbondale campus of Southern Illinois University.

Probe School Break-In at Madison; 2 Homes Entered

A school break-in at Madison and the burglary of two residences were among crimes reported to Quad-Citiy authorities since Monday. Three car thefts also were reported.

Two Madison juveniles had been released by police today after they were questioned in an investigation into a burglary at the Harris grade school, Sixth street and Alton avenue, in which the offices were ransacked and a quantity of audio equipment and other items were stolen.

Authorities said entry to the school was gained by removing the glass from the door on the east side of the building in an alley next to the loading dock. The intruders then broke a hole in the glass near the lock of the door to the main office to open the door, police said.

The offices of the principal and the main office were completely ransacked. Officers reported a record player and an electric adding machine had been left on the floor in the main office and papers and books were scattered throughout both offices. Officers Charles Bridick and Thomas Voloski said they found the door to the kitchen open and found lockers in the women's dresing room next to the kitchen had been looted.

Gym Littered

In the gymnasium, police said, said, paper that had been taken from a shipment of supplies was scattered over the floor and a number of basketballs had been thrown into the gym.

School oficials said items taken from the building included two new tape recorders, two record players, an adding machine, three new basketballs, 25 keys to the rooms on the main floor and a quantity of crayons, paper and equipment from a new shipment that had not yet been checked.

Police reported that the burglary was discovered after an unidentified informant told police that two boys had been seen scattering paper on another school grounds, and that the paper appeared to be of the type used in schools. The caller gave police the name of one of the boys who lives in the vicinity of Harris school, and the officers decided to check the school.

After the break-in was discovered, police picked up the two boys for questioning. William Fanning, Madison juvenile officer, said both were released after it was learned they had been given the paper by several other youths.

Mrs. Leo Martin reported to the Madison county sheriff's office at 5:40 p.m. Monday that a house from which she had moved on May 22 had been burglarized. Two windows were broken, telephone wires were cut and black paint was thrown on the kitchen walls.

Taken were three linoleum rugs valued at $162, a metal kitchen cabinet valued at $79 and an electric meat grinder. The house is owned by Rozycki Realty Co.

The home of Florence Griffith, 1312 Twenty-seventh place, was ransacked in a burglary, it was reported at 3:50 p.m. Wednesday. It was undetermined if anything was missing. Entry was gained through a kitchen window.

Burglars broke into a confectionery operated by Chic Wilson at 1100 Calhoun street, Venice, and took about $50 in coins, Venice police reported at 3 p.m. Tuesday. Entry was gained by prying part of the framework from the door.

Owner Recovers Car

A car owned by James Mosby, 1126 College street, Venice, was stolen early this morning from Mosby's home, but was recovered a short time later by Mosby, who found it abondoned in the 1100 block of Market street, according to Venice police.

John D. Zotti, 3208 Willow avenue, reported at 7:20 a.m. Wednesday that his red 1964 two-door auto was stolen from the driveway of his home after midnight. It was found stripped by state troopers and was towed to a garage in Fairmont City.

A 1964 model two-door auto owned by Gary Kirkland, 653 Margaret street, was stolen from 12th and Iowa streets in Madison late Monday night, Madison police reported at 11:55 p.m.

Thieves who climbed a utility pole to strip off the wire stole 1440 feet of No. 6 copper communications wire and 4200 feet of No. 9 copper wire, according to a report to Madison police yesterday afternoon by J. R. Rutledge, captain of police at Norfold & Western railroad. Value of the wire was not listed. The wire was taken from a pole at the foot of West Jefferson street.

New Sheriff's Office, Landfill on Agenda

The Madison county board of supervisors will hold its statutory meeting at 9:30 a.m. Monday at the courthouse in Edwardsville.

The agenda includes the reading of bids on the construction of a new office building for the sheriff's department and for an additional appropriation of $90,000 to $100,000 for construction of the building.

The agenda also includes an ordinance amending the county sanitary landfill, waste disposal and dump ordinance.

Soldier Not Poet

The Press-Record was advised by the parents of Sp/4 Gary Butkovich that he was not the writer of a poem which was published in the pre-Memorial Day issue. The name of the poet is not known. He had sent it home from Vietnam, and through a misunderstanding, authorship was attributed to him.

Auto Slides into Truck

An auto driven by Billy D. Mank, 2625 Highway 67, slid sideways on wet pavement while trying to avoid an accident and struck the front of a pickup truck driven by Herbert H. Grammer, 2609 Madison avenue, who was stopped for a stop sign at Niedringhaus avenue and Maple street at 7:30 p.m. Tuesday.

Thief Rifles Auto

William Sloss, 2817 Fortune drive, reported at 7:50 a.m. today that someone rifled the glove compartment of his 1968 auto while it was parked in his driveway. Nothing was missing.

Extra Raises For GC Faculty Being Figured

Substantial pay boosts beyond those already scheduled are anticipated by Granite City school district teachers and nurses for the 1970-71 year. Tabulations currently are in progress at the administrative office.

The Illinois General Assembly in its April-May session added 8% to its $520-a-pupil state aid formula. In addition, it approved a special density formula of 3½% for systems of 10,000 - 20,000 pupils, affecting Granite City, and 7% for districts over 20,000 enrollment.

The total state appropriation for common schools is $717 million, up $80 million.

Along with whatever extra funds they receive for extracurricular duties and a variety of other clauses in their agreement, faculty members receive monthly pay of $794-$1444 (annual salary divided by nine), depending on college credits and length of service.

A two-year pact approved after a work stoppage last fall called for a monthly pay range of at least $833-$1500 in 1970-71 and this will be greater due to the new legislative action.

The working agreement adopted in Granite City stipulates that "if, as a result of a change in the formula for state aid resultant from a special session of the legislature held prior to the start of the 1970-71 school term, additional state aid funds are to be received by the district and such added funds are to be received for the 1970-71 school year, annual salaries shall be increased in accord with the following schedule:

"Increase in state aid of $60,000 or less, no increase in salary; $60,001-$90,000 aid increase, $50 ($5 monthly); $90,001-$150,000, $100 (11 monthly); $150,001-$210,000, $150 ($16 monthly); and increased in the same relationship at $50 per person ($5 monthly) for each $60,000 increase."

The precise 1969-70 aid and projected 1970-71 aid have not yet been pinpointed and compared. A spokesman cited the 8% and 3½% increases in estimating an 11½% boost.

Meat for the Grill

You don't have to be an accomplished chef to come up with delicious-tasting meat on your outdoor grill. The secret of tasty, juicy meat is in the cut.

Steaks should be cut at least one inch thick. Thick cuts will be juicier and more flavorful than thin cuts which usually dry out too fast over charcoal heat.

Porterhouse, T-bone, club, sirloin, rib and rib eye steaks are perfect for a cookout. USDA Prime grade top round can be broiled or grilled, but lower grades should be marinated for several hours or overnight before cooking.

Choice grade pot roasts at least one-and-a-half inches thick can be cooked successfully on an outdoor grill. To assure tender juicy pot roast . . . marinate the roast or use a meat tenderizer according to the manufacturer's directions. Then cook the meat over low to medium heat. Slice the cooked meat very thin and serve it on toasted buns.

Apply the thickness rule to other quick-cooking meats . . . hamburger patties, lamb and pork chops, and ham slices.

And when you barbecue meat, handle it with tongs to avoid piercing the meat and losing flavorful juices.

Delyte Morris' 22 years as president of Southern Illinois University equals Henry Shryock's for the longest time in office. The shortest tenure was John Hull's one year.

4 New Pastors Named to Methodist Churches Here

Pastoral appointments announced this week at the annual session of the Southern Illinois Conference of the United Methodist Church, included four new ministers for Methodist churches in the Quad-Cities. The appointments were made by Bishop Lance Webb of Springfield.

New pastor at Niedringhaus United Methodist Church will be Rev. Roy L. Baugh, who comes here from the First United Church of Metropolis. Re-appointed as assistant pastor for the 11th consecutive year was Rev. E. V. Campbell.

Rev. Jesse H. Roberts, current Niedringhaus pastor, this week is attending the Missouri Methodist Conference at Central Methodist College, Fayette, Mo. He is expected to receive an appointment to a pastorate in the Missouri District.

Rev. Raymond Clodfelder of the Mt. Olive United Methodist Church will replace Rev. John H. Amsbury as pastor of Dewey Avenue Methodist.

Rev. Amsbury, who also teaches at Madison high school, has requested and received a year's sabbatical leave to continue evangelistic work in the Southern Illinois Methodist Conference. The family is planning to reside on the outskirts of Collinsville.

New minister at the Madison Methodist Church will be Rev. Donald Bogue, who replaces Rev. Dean Blackburn. The latter was appointed as associate pastor to several churches in the Vandalia District.

Rev. Robert J. Killion was named by Bishop Webb to replace Rev. Robert Smith, pastor of Venice Methodist Church. Details concerning Rev. Smith's new appointment were not announced.

Re-appointed for his eighth year was Rev. Clair Clark, pastor of Trinity Methodist Church, and Rev. William Fester for his third year as pastor of Nameoki Methodist Church.

Rev. Ira L. Thetford, a former Niedringhaus pastor, who has served several years as a district superintendent, was named new pastor of the Main Street United Methodist Church at Alton; and Rev. Frank Pierce, former minister at Nameoki Methodist, was appointed to the Elkville-Sunfield Methodist Church.

Rev. Eugene E. Meritt, whose appointment to the Good Shepherd United Methodist Church was announced following the 1969 Southern Illinois Conference, will remain as pastor of the local church at 3025 National avenue.

Chamber Approves 47 Additional Members

Forty-seven new Tri-Cities Chamber of Commerce members were approved by the board of directors Tuesday night during a monthly meeting at the Rose Bowl.

HIDDEN IN WEEDS is a fire hydrant along Nameoki road where the city is in violation of its own weed law. Council members have called for weed cutting for several weeks, but they fired the comptroller a month ago and for two weeks the city was without a city clerk and no one called for weed-cutting bids. The city now has a city clerk, named Monday night.

Simon to View Convoy Depart for Reservation

A group of public officials, headed by Lt. Gov. Paul Simon, will meet at 2:30 p.m. Monday at the headquarters of the American Indian Developing Organization (AID) in Caseyville, to view the departure of a convoy with gifts and clothing for Sioux Indians at the Standing Rock Reservation in South Dakota.

The gift items have been donated by groups and individuals in many communities, including the Quad-City area, for the Sioux, whose existence on the reservation is described as "tragic," by AID founder, Cletus Wilson, an employee of American Steel Industries and a Cherokee Indian. Monetary contributions to the AID project still are needed, Wilson said, noting that checks should be mailed to AID, c/o State Bank, Collinsville.

Departure of the convoy from 411 East O'Fallon street, Caseyville, is set for about 2:30 p.m. Monday.

Costoff Tavern Opens By Order of Court

Authorization to reopen the Starlight Club tavern in Madison was granted to Mrs. Maxine Costoff, proprietor, by Chief Circuit Judge Joseph J. Barr in an initial hearing Tuesday on an appeal for an administrative review on the state's revocation of her liquor license.

The license, issued this year to Mrs. Costoff, was revoked by the Illinois Liquor Control Commission on the basis that her husband, Christ Costoff, had a direct interest in the business in violation of state statutes as he is in conflict of interest, being an elective official, Fourth Ward alderman in Madison.

The license had been picked up by an agent of the commission after the appeal had been filed in Madison county circuit court on a claim that a routine form had not been filed in advance of the appeal.

Judge Barr said the reopening order will stand pending a final decision on the appeal.

Gospel Sing Concert Set June 13 at GCHS

A Gospel Sing Time Concert, featuring several well-known area singing groups, is planned for 8 p.m. Saturday, June 13, in the auditorium of Granite City high school.

The event has been arranged as a sequel to a successful concert given at the local high school in late March, according to Charles Adams, one of the organizers and a member of the Chapelaires Quartet of Granite City, which will function as the host group.

Tickets are now available to the public from group members, or may be obtained at the door. Adults will be charged $1 each, with children under 12 years, admitted free.

Singing groups already signed for the program with the Chapelaires, include "The Mommanders" of Alton; the "Masters' Quartet" of St. Louis and the "Gospel Singers" of Granite City. Additional groups are expected to be added to the program, the organizers said.

Mrs. Alice S. Wilson Dies in California

Mrs. Alice Sims Wilson, 88, of Santa Ana, Calif., a former Granite City resident for 50 years, died at her home Tuesday morning. She had resided in California for several years.

Surviving are her husband, Jeff Wilson; two sons, Earl and Dale Wilson all of California; two nieces, Mrs. Florence Wilson Clingensmith and Mrs. Ethel Neuman Bess both of Granite Ctiy; and a sister, Mrs. Lou Comfort of St. Louis. Funeral services were conducted at 10 a.m. today in California.

Eight Candidates Will Vie for Miss GC Crown

At least eight attractive local misses will seek the Miss Granite City crown on Sunday evening, June 28, in the annual beauty-talent pageant sponsored by the Granite City Jaycees, Bob Fry, pageant chairman announced today.

Quad-Cityans viewing Tuesday night's Shriners parade caught their first glimpse of seven of the eight local beauties who will vie for the title of Miss Granite City and an opportunity to advance to the Miss Illinois Pageant, set for the week of July 20-26, at Aurora.

Fry said the Miss Granite City candidates are:

Kathy Arbeiter, daughter of Mr. and Mrs. Charles Arbeiter, 2443 State street; Miss Ruth Diak, daughter of Mr. and Mrs. George Diak, 3023 Iowa street; Miss Lana Earnhardt, daughter of Mrs. L. S. Earnhardt, 2512 Hodges avenue; Miss Constance Rotter, daughter of Mr. and Mrs. Robert Rotter, 2433 Pine street.

Miss Debbie Scaturro daughter of Mr. and Mrs. Bill Scaturro, 49 Riviera drive; Miss Deborah Hightower, daughter of Mrs. Bernice Hightower, 3129 Myrtle avenue; Miss Debra Harrison, daughter of Mr. and Mrs. Oren Harrison of Rural Route Two; and Miss Debra Lynn Herring, daughter of Mr. and Mrs. Ellis Herring, 2501 East 25th street.

In Tuesday's pre-circus parade, the candidates appeared in cowgirl outfits to encourage persons lining the parade route to patronize the Granite City Jaycees' "International Rodeo," set for July 18 and 19 at the Tri-City Speedway.

Riding on an open truck, the misty weather failed to deter the contestants, although one lovely miss remarked to Jaycee members afterward — "I didn't mind the rain, but being next to the ponies drew all of the attention of our young supporters, the children."

The eight local queen candidates will take part in the Shriner's parade in Belleville tomorrow evening, according to Mrs. Pat Fry, pageant co-chairman, who said an intense schedule of rehearsals will start Wednesday, June 10, at the Jaycee clubhouse.

Several Jayceette members and former Miss Granite City winners have agreed to assist the contestants in preparation for the June 28 pageant, Mrs. Fry said.

Chester Barr, 70, Dies; Retired Mechanic

Chester (Jumbo) Barr, 70, of 1600 Market street, Madison, a retired Granite City Army Depot employee, died at 7 a.m. Tuesday at John Cochran Veterans Hospital, St. Louis. He had been ill two months and hospitalized three weeks.

A Quad-City resident for 60 years, Mr. Barr was a native of Mattoon, Ill. He retired 12 years ago from the Depot, where he was employed 12 years as a mechanic. He was a world war II Army veteran and a member of Venice-Madison American Legion, Post 307.

Survivors include one son, Virgil Barr of Vandalia; a stepdaughter, Mrs. Ralph (Juanita) Hackney of Venice; a brother, Clifford Barr of Madison; one sister, Mrs. Walter (Hazel) Schaeffer of Granite City; nine grandchildren and two great-grandchildren.

Funeral services were held today. Details are given in the obituary column.

Airport Plan Funds Released by Ogilvie

Sen. Merrill Ottwein (R-Edwardsville) announced Tuesday that Gov. Ogilvie has approved the release of $25,000 for professional services in connection with a feasibility study for the proposed Illinois airport.

Ottwein said the money is taken from a $1,500,000 appropriaation made by the 1969 General Assembly for the planning and development of new airports.

The govbrnor released the funds to the Illinois Department of Aeronautics. It is payable from the general revenue fund.

Doctorate Degree

Richard A. Wier, 2424 Sunbury avenue, will receive a doctorate degree in government from Georgetown University, Washington, D. C., at commencement exercises on Sunday. He is among 280 students to receive graduate degrees at the first Catholic institution of higher learning in the U. S.

Man Loses Wallet, $22

Ed Dunham, 2504 West 20th street, reported Monday that he lost his black wallet containing $22, his driver's license and papers. It was last seen on Saturday.

RAYMOND DRAGICH

Dragich Heads Madison Rotary

Revising its staff of officers for the 1970-71 year beginning July 1, the Madison Rotary club yesterday elected Madison School Supt. Raymond Dragich as president.

J. W. Starkey will serve as first vice-president and secretary, James Swift as second vice-president and treasurer and William Clinton as sergeant-at-arms.

The officers will be installed by Harry Thebeau, a past president, at the annual installation dinner at 7 p.m. June 24 at the Rose Bowl. George Frangoulis will be toastmaster and David Norton will entertain the members and guests.

Dragich, who will succeed Richard Suess as Rotary president, has been in school work 18 years, serving as Madison superintendent since 1966. A former assistant Madison county superintendent and former principal and coach, he resides at 1702 Sixth street with his wife and five children.

It was announced that Boy Scout Wayne Kopchak has repainted the club's 21 corner trash containers. The club decided to send two Madison high school students to the 1970 Egyptian Music Camp and to send one youngster to YMCA swimming instruction.

Lamont Heidinger of Edwardsville, 1970-71 district Rotary governor, is to be honored at a dinner dance June 20 at the Sunset Hills Country club, Suess reported.

Irving Miles, who has accepted a counseling position with the East St. Louis drug education program, spoke on the value of parental and school guidance in warning children of the dangers of drug abuse and addiction. He was introduced by Alex Schenhoffer, program chairman.

Crowds Cheer Shriners Along Parade Route

Enthusiastic crowds limited by cold, damp weather lined the route of the Shriners parade Tuesday night, laughing at the antics of numerous clowns and admiring the performances of mechanized units, floats, horses, bands and drill teams.

Sixty-five units were entered in the parade which took about an hour to pass a given point under the direction of Jack Dempsey, parade marshal. Clowns distributed candy and balloons to children.

Rain came to a halt just before the start of the march at about 8:15 p.m. from 19th street and Cleveland blvd. and held up until after it ended at the Nameoki Village shopping center.

The parade served as a kick-off for the two-day Ainad Temple Shrine circus which will have its closing performances at 5 and 8 p.m. today at the Tri-City Speedway.

Only one incident occurred to mar the festivities.

Helen Wardlow, 46, of Rural Route Two, was injured when she fell off her horse while riding in the parade on Nameoki road near Johnson road. She was taken by ambulance to St. Elizabeth Hospital where she was admitted with injuries to the left arm and wrist.

Eagles, Auxiliary to Install New Officers

A joint installation ceremony for Eagles Aerie 1126 and the Auxiliary will be held Sunday at 2:30 p.m., followed by a dinner. A dance will be held from 6 to 10 p.m. Bill Berutti and his orchestra will provide the music.

Officers to be installed for the Aerie and Auxiliary are: junior past presidents, Tom Rickert and Mrs. Helen Frazier; presidents, Charles Acker and Mrs. Vera Hornyak; vice-presidents, Robert Stanton and Mrs. Nancy Mullins; chaplains, Paul Lampe and Mrs. Verna Von Nida; conductor and conductress, Ronnie Wachler and Mrs. Juanita Brown; secretary, Hubert Hennrich and Mrs. Marge Hall; treasurers, Joe Klesh and Mrs. Leona Delajoye; inside guards, Ben Haroian and Mrs. Eva Goodwin; outside guards, Edward Broyles and Mrs. Theresa Danco; and trustees, Jess Hadley, Bill Hemke, Ray Fritzke, Mrs. Brenda Rickert, Mrs. Stella Miller and Mrs. Lucy Williams.

Eagles honors will be bestowed on a mother and son, Thomas Rickert, Eagle of the year, and his mother, Mrs. Eileen Rickert, Auxiliary mother of the year. A practice session for the installation will be held at the hall today at 7 p.m.

Special Legislative Session Set June 16

A special session of the Illinois legislature will be called in mid-June, probably to start on June 16, Gov. Ogilvie announced at Springfield this week.

The special session became necessary after the General Assembly adjourned early last Saturday without approval of an appropriation bill for payment of salaries to elected officials and department heads, and the lawmakers themselves.

In addition, the legislature adjourned without acting on a bill to provide $25 million subsidy grant to the Chicago Transit Authority. The bill also carried $12 millions for downstate transit systems.

Collide in Venice

Cars driven by Savala Denova of the Granite City Army Depot, and Kenneth D. Rodgers, 1610 Third street, Madison, were damaged about 7:10 p.m. Tuesday in a collision on Broadway at the State street cut-off in Venice, police reported. The Denova car was damaged in the front and the Rodgers car in the rear, officers said.

Sacred Heart Event to Feature Dance, Booths

The traditional June Jamboree, sponsored by Sacred Heart Church, is set for Sunday on the parochial school grounds at Washington and Sheridan avenues. A carnival theme will be featured, spotlighting games, specialty booths and a public dance.

At a final planning session Tuesday evening general chairmen, Gail Gargac, Joe Lucido, Tony Michel and Gregor Sido, completed arrangements for a wide variety of entertainment.

Activities at the school ground will start at 11 a.m. Sunday. Events will include rides for youngsters atop a fire truck and booths featuring quilts, homemade cakes and handmade gift items.

In a beer garden setting, located on the blacktop portion of the playground, a dance will be held starting at 6 p.m. with music furnished by the Richard Jeffries Trio.

A chicken dinner, complete with carry-out service, will be served throughout the day, supervised by Steve Saltich and Edward Janek.

Others aiding with the Jamboree include Mrs. Florence Moore, Mrs. Jackie Francis, Mrs. Pat McKee, Mrs. Dee Sheridan, Mrs. Doroa Deane Evans, Mrs. Vernie Von Nida, Mrs. Carole Squires and Miss Jean Richardson, booths; Mrs. Mary Rita Ahlers and Mrs. Gertie Petty, kitchen; Mrs. Marge Greenwald, dining room; Mrs. Dolores Harizal, cashiers; Mrs. Florence Harmon, quilts; Mrs. Marge Saltich, serving bar; Mrs. Rosie Hays and Mrs. Mattie Sotiroff, cake booth; Mrs. Mary Lapinski and Mrs. Gladys Skubish, sliced cakes.

MRS. DOUGLAS H. THOMASON, the former Miss Carolyn R. Bellman daughter of Mr. and Mrs. Roy E. Bellman, whose wedding took place this week.

Mrs. Little to Lead Trio Unit

The June meeting of the Trio unit, Madison County Homemakers Extension Association, took place Tuesday at Hope Lutheran Church. Hostesses Mrs. Peggy Bargel and Mrs. Ivan Graklanoff served a dessert course at a table decorated with arrangements of yellow spring flowers.

The chairman, Mrs. Mary Markham, called the meeting to order and read a letter on the annual "charity days" at the Nameoki Village sohpping center Sept. 17-19.

Mrs. Rose Stearns and Mrs. Irene Kenner gave the lesson, "Drugs — What's the Story." The citizenship and legislative chairman, Mrs. Edna Buenger, gave a talk on "To Make a Better World," and Mrs. Villa Ridings reported on last month's craft day.

Plans were made for the annual family picnic at the home of Mrs. Shirley Schillinger of Rural Route Two Monday evening, Aug. 3. Each member is to bring a covered dish, and serving will begin at 6 p.m.

Officers for the new year were installed by Mrs. Clara Schillinger: chairman, Mrs. Virginia Little; first vice-president, Mrs. Florence Rapp; second vice-president, Mrs. Ellen Ozanich; secretary, Mrs. Ada Matras; and treasurer, Mrs. Dorothy Schanuel.

Games were led by Mrs. Ivan Graklanoff and prizes were won by Mrs. Virginia Little and Mrs. Arline Kenner.

Others present were Mesdames Gertsch, Hulda Klug, Mary Ellen Lewis, Helen Schaefer, Jerry Short, Lucy Stewart and Bea Rittenhouse. The next meeting will be July 7 at the church; the program will be on water and air polltulon.

HONOR CIRCLE MEETS AT CHURCH

Honor Circle of Niedringhaus United Methodist Church met Wednesday at the church for quilting session in the morning, luncheon and an afternoon business meeting.

Mrs. Eva Evans was hostess for the luncheon, and Mrs. Augusta Pender, leader, presided at the business meeting. She announced 25 sick calls had been made during May.

The lesson was given by Mrs. Mildred Cundiff. A circle of prayer closed the meeting. Those present were Mrs. Ida Cox, Mrs. Winifred Reimers, Mrs. Pearl F. Campbell and those named.

ROLLETTES HONOR MEMBER ON BIRTHDAY

The birthday of Mrs. Velma Radefeld was observed by members of the Rollettes Club Monday at the home of Mrs. Jeanette Wilson, 2000 Beckwith avenue.

In games, prizes were won by the hostess, Mrs. Nellie Nicol and Mrs. Marlene Waggoner.

Others attending were Mesdames Connie Tinsley, Helen Randolph, Betty Brooks, Edith Wofford and Reatta Radefeld. The next meeting will be with Mrs. Edith Wofford, 2106 Ohio avenue.

39TH ANNIVERSARY

Mr. and Mrs. Raymond Hendricks of 2612 Iowa street observed their 39th wedding anniversary at a quiet dinner in a local restaurant Tuesday evening. They were married in Venice and are the parents of five married children.

Wed this Week In E. St. Louis

Miss Carolyn R. Bellman and Cpl. Douglas H. Thomason were united in marriage this week in ceremonies performed at the Rosemont Baptist Church, East St. Louis.

The bride is the daughter of Mr. and Mrs. Roy E. Bellman of 2800 West 20th street, and the groom's parents, Mr. and Mrs. Frank E. Busler reside at 2806 West 20th street.

Cpl. Thomason, who is serving in the U. S. Marine Corps, is stationed at Camp Smedley D. Butler on Okinawa and will return there on June 25 to complete a one-year tour of duty. Mrs. Thomason will remain in Granite City.

Iota Psi Honors Mrs. Margulen

A surprise shower honoring Mrs. Ann Margulen was given last evening by members of the Iota Psi Chapter of Beta Sigma Phi Sorority in the home of Mrs. Mary Herman. The guest of honor will be married Aug. 1 to William Kuhlmann.

Colors of yellow and white were used throughout the appointments. Games were played and prizes were awarded.

After Mrs. Margulen opened her gifts, refreshments were served to Mesdames Pat Winters, Marilyn Harris, Barbara Painter, Shirley Dittrich, Pat Takmajian, Carol Cathey, Joyce Corey, Jo Ann Macios, Lois Mullen, Jo Ann Kalert, Sally Stegelmeyer, Ursula Lackey and Miss Jane Davis.

DAV Auxiliary Names Delegates

Commander Ruth Nunes conducted the business meeting of the DAV Auxiliary on Wednesday evening at the DAV hall and performed an initiation ceremony for a new member, Mrs. Dorothy Ming.

Delegates who will attend the national convention in Los Angeles this summer are Mesdames Irene Hoelter, Wilma Dortch, Winifred Kelly, and alternates, Mrs. Lillian Hefferly and Mrs. Bertha Kichler.

Others present at the ceremony were Mrs. Louise Schlieff, Mrs. Rene Craycraft and Mrs. Charlotte Suhre. Hostesses for the social meeting on June 17 will be Rene and Vivian Craycraft.

MISSIONS GROUP TO AID CHILDREN

The Ann Judson Current Missions group of Third Baptist Church WMU met Tuesday evening in the home of Mrs. Juanita Keltner, 2028 Amos avenue.

Mrs. Keltner presided over the business session which was opened with prayer by Mrs. Nancye Turner and Mrs. Helen Carrington.

Mrs. Alma Garrard submitted reports and announced plans to collect toilet articles for the Children's Home at Carmi.

A gift was purchased for a shut-in and cards sent to those known to be ill.

A program entitled "Mission Action is Fruitbearing" was led by Mrs. Thelma Peterson. Presenting topics were Alma Garrard, Florence Simpson and Ruth Hopkins. Mrs. Ollie Smith dismissed the meeting with prayer and refreshments were served to those named and to Lorena Sherley and Hazel Atchison. The July meeting will be in the home of Mrs. Garrard

GO TO CHURCH ON SUNDAY

Debbie Martin, Rosie Hahn, Brenda Fernandez, Soundra Mabry. These high school students recognized a great opportunity . . . and did something about it. A short 9-month Cosmetology course at Joseph's School of Hair Fashions did the trick.

It was the quickest way to get moving in the profitable Beauty Business!

These girls wanted a skill for which there was urgent demand . . . a demand that was likely to continue well into the future.

They chose a career in hairstyling because it is one of the nation's fastest-growing businesses.

DEBBIE MARTIN, ROSIE HAHN, BRENDA FERNANDEZ and SONDRA MABRY are all creative gals who knew what wonderful things they could do with their hands. They spent their Saturdays and evening under the expert guidance of Miss Helen and Miss Marie and Mr. Joseph at JOSEPH'S SCHOOL OF HAIR FASHIONS! NOW THESE GIRLS ARE GRADUATING AND CAN SECURE A PROFESSIONAL LICENSED POSITION AS CHALLENGING, INTERESTING AND CREATIVE WORK OF HAIR STYLING SPECIALISTS.

IF YOU CAN RECOGNIZE A GREAT OPPORTUNITY WHEN YOU SEE IT, GET THE FULL STORY OF YOUR FUTURE FROM:

THIS I BELIEVE:
VACATION THIS SUMMER?
Millions and millions of Americans will be on the highways and streets this summer to see many new sights and to do many things, both old as well as new. Some of us will come back, while a number of us will also come back, but either crippled or dead. How many will return to the Quad-Cities crippled or dead cannot be ascertained before the fact; but is is not likely that we will escape unscathed.
It seems to me, that whether on vacation or not, every person should make sure that their relationship with God is settled. How is it possible for any rational person to plunge headlong through life, ignoring the first and foremost interest of all: The Matter Of Making Everything Right With God?
I have nothing to say in comment about other churches, as to whether they can or do offer a Full and Biblical Answer to the matter of your Eternal Destiny, but I can tell you without reservation that you can find God individually and personally, without guess so or I suppose so or maybe, at the First Pentecostal Church in Granite City, and that whether this is your last year on earth or whether you live to be a hundred, Biblical Salvation, without doubt can be yours if you really want it! Get ready for Summer vacation — GET READY FOR ETERNITY!
THIS I BELIEVE!

Sales Tax Helps City Meet Payroll

A fund transfer resolution, taking $47,810 from the sales tax reserve, to meet a payroll, was approved Monday night by Granite City council members after receiving notice of receipt of $51,063 city sales tax for February.

The council approved the payroll for the first half of June totaling $57,800 and a current bill list amounting to $37,437, of which $21,683 was payment of revenue bonds and interest due on the sewage treatment plant.

Alderman Moerlien called for separation of the salaries of former City Clerk Pendleton, whose resignation effective June 1 was accepted, and for the two women dispatchers in the police department, Mrs. Margie Hall and Mrs. Cleo Buttrey.

The council then voted not to pay the two women, pending a court decision on the legality of their appointments by Mayor Partney. Clerk Pendleton's pay is to be reviewed to determine if he is owed any vacation money.

Other major items on the bill list were payments of $7303 to the Bond Men for premium due on the city's workmen's compensation insurance policy and $5149 to the Illinois Municipal Retirement fund for employees.

The fund transfer resolution called for $47,810 of the sales tax funds to be allocated to the following accounts: Fire department $19,079, police department $18,547, Illinois Municipal Retirement fund $5149, general government $1606, school crossing guards $1574, city hall $748, parking meters $654 and dog catching $452.

At the request of Alderman Schuler of the Finance committee, last week's action on award of a contract to Metropolitan Life Insurance Co. for workmen's compensation and employer liability insurance was rescinded and the policy will be obtained from Blue Cross-Blue Shield.

Schuler explained the proposal by Metropolitan was misinterpreted and that Blue Cross was low bidder with a figure of $31.96 a month for each employee.

CERTIFICATE OF COMMENDATION awarded to Miss Linda S. Mariott, 3222 Colgate place, employed at the U. S. Army Mobility Equipment Command in recognition of outstanding performance of her duties in the logistics management division. Col. M. J. Caraccia, director, presents the award as her supervisor, Larry Sunday, looks on.

GC to Step-Up Mosquito Spraying Operations

Doubled-up mosquito spraying is being scheduled for Granite City, Street Supt. Warfield told council members Monday night.

He pointed out an increased budget would be required because of the stepped-up operations, and he suggested the council could better purchase the new type water spray machine rather than contract for extra spraying by a private firm at a cost of $13 an hour.

The city owns two insect fogging machines, but only one has been in operation.

Mosquito complaints were registered by nearly every alderman, and Basarich suggested the street department crews keep a "weather watch." He added, "There's no use spraying if it's going to rain."

Dawes pointed out mosquitoes were in swarms around the Dobrey slough area, "and the people just can't go outside in the evening." Supt. Warfield advised him that the slough is outside the city limits and he should get in touch with Nameoki township officials.

"We can spray all we want, but all the sloughs around here are breeding places, and a slight wind will blow them into town," the street superintendent explained.

Council members voted down a proposal to hire a private firm to use water-chemical spray under pressure for areas without alleys. The vote was 7-to-7.

Nonn suggested the city look into purchase of such equipment.

Summer Special Education Will Begin June 15

A summer school session for special education children will be conducted from June 15 to July 31 by the Granite City school district, it was announced today. At least 35 youngsters are likely to attend.

Principal will be Arthur Mendez. Supervisor is Vasil Eftimoff, director of pupil personnel services.

Cost to each child is $2.50 for materials; tuition is free. No transportation will be furnished by the school district.

Two programs will be operated, one at Granite City high school, where Philip Mehelic will be the instructor from 8 a.m. to noon daily.

The other group will meet from 8:30 to 9:45 a.m. at the YMCA and from 9:45 to 11:30 a.m. at Emerson grade school.

At the "Y," Miss Joanne Higgins and Miss Dorothy Bailey will conduct a gross motor-visual and perceptual skills program.

The Emerson staff will consist of Mrs. DeeMana Spudich, trainable and multiply handicapped; Miss Christy Heinz, primary educable mentally handicapped; Mrs. Mary Kesnar, intermediate EMH; and Mrs. Mary Cappaus, speech therapy.

Parents seeking additional information may telephone 876-6600, Station 52.

Wrong Way Charge

John Thurman, East St. Louis, was ticketed Monday on a charge of driving the wrong way in the 2600 block of Benton street, a one-way street.

More Chairmen Named for 1971 United Fund Drive

Appointments of additional divisional leaders for the forthcoming United Fund campaign were announced today by J. S. M. Dashwood, president of Union Division, Miles Laboratories, and the 1971 campaign chairman.

Chairman of the Tri-Cities Area United Fund Professional Division will be Irvin Slate, lawyer with the firm of Luedeys, Robertson and Konzen; and named to head the Public Service Division is Vasil Eftimoff, director of pupil personnel services for the Granite City school district. He will be aided by R. Tom Jones, administrative assistant of personnel for the school district, who headed the division last year.

Co-chairmen of the Residential and Club's Division will be Leo Konzen of Luedeys, Robertson & Konzen law firm, and Carl Mathias, service area manager for Illinois Power Co.

A goal for the new campaign is expected to be announced within a short time.

Piano Recital to be Presented on Sunday

The ninth annual piano recital by the pupils of Ortanza MacDonald will be given at 3 p.m. Sunday, June 7, at St. Peter United Church of Christ Fellowship Hall, 2103 Cleveland blvd. The public is invited to attend.

Students who will participate are Deida Schroeder, Charlene Bennington, Theresa and Charlene Lahey, Myron, Mark and Michael Schanuel, Melinda Hester, Jane Dillard, Lisa Zevallos, Brenda Hudson, Karen Teitloff, Carol and Kathy Grisham, Karla Foote, Carla Sugg, Patti Fyalka, Timothy and Cathy Faulkner, Susan Trittschuh, Ellen Boda, Donna Parker, Joella Pryor, Patti Kawula, Norman and Beverly Stavely, Crystal Andrews, Lisa Groothuis, Elaine Riedle, Pamela Schaefer, Diana and Sandra Watkins, Amy Bono, Jackie Hudson, Vickie Newgent, Marsha Ren, Peggy Smolich, Dan Vizeh, Elaine Williams and Nancy McCommis.

At the conclusion of the program, special awards will be pjresented to Melinda Hester, Karen Teitloff, Timothy Faulkner, Mark Schanuel, Ellen Boda, Lisa Groothuis and Patti Kawula, winners of the scale contest; Karen Teitloff for honor and Lisa Groothuis for high honor.

Commendation Medal For Sp/4 Clifford Hunt

Sp/4 Clifford Hunt, 22, son of Mr. and Mrs. I. G. Hunt, 4124 Kaseberg lane, received the Commendation Medal in Vietnam during a recent ceremony for his outstanding performance of duties as a demolition engineer.

Sp/4 Hunt, who has been in Vietnam for nearly a year, is expected home on a 41-day leave about June 15 and then will report for duty at Ft. Campbell, Ky.

He is a graduate of Granite City high school and was drafted Jan. 24, 1969.

Sidewalk Bazaar, Church Convention Ok'd by City

Requests for a church sidewalk bazaar, housing arrangements for a church convention and a special fence for a child care center at another church were approved Monday night by Granite City council members.

Also approved was a door-to-door fund campaign planned for June 21-28 by the Madison County Association for Mental Health, Inc., headquartered at Edwardsville. The request, which also included a fund-soliciting roadblock at Nameoki and Johnson roads on June 20, was submitted by George Fuchs of Granite City.

Aldermen referred the roadblock request to the police chief for study.

The request for the sidewalk zasaar, to be held June 13 in front of 1924 State street, was submitted by Rev. A. E. Cope, pastor of the City Temple Assembly of God Church at 1917 State street.

The convention is planned for July 7-11 at the First Christian Church, 2900 Marysville road, where 15 small trailers are to be placed on the church parking lot for the delegates.

A six-foot, see-through fence was approved for the Kiddie Korner Day Care center at the First Baptist Church, 21st street and Delmar avenue. George Scrum, chairman of the board of directors, said a six-foot fence is required by state law.

Alderman Dawes called for preparation of an ordinance for stop signs, with Franklin and Garfield avenues to be designated as a four-way stop, and for stop signs to be placed on Mercer drive at Clark avenue.

Rains Stalling Summer Street Program in GC

Granite City's annual summer street maintenance program will start as soon as the rains end and the streets dry out, Alderman Nonn, chairman of the Street and Alley committee, reported to the council Monday night.

All contracts for materials for liquid asphalt, oil, chat have been approved by the state highway department, the city was notified Monday.

Nonn also reported that city street department trucks are being repaired and repainted.

He added that he has spent two weeks touring the city with Street Supt. Warfield, "and there's much work to be done on the streets and in the alleys."

Alderman Rutledge called for closing the extension of Propes street along the old Illinois Terminal Railroad right-of-way at Kirkpatrick Homes. He pointed out the city has never taken any action to extend the street, but that residents of the area have developed a thoroughfare. "Others are complaining of a dust nuisance and the dumping of brush as high as the city hall, tin cans and junk along the old right-of-way."

Jurisdiction over the strip of land is in the process of being determined by City Atty. Scroggins.

Rutledge noted the area is becoming overgrown with weeds, and he called for weed cutting and erosion control along the fences at the new storm water drainage ditches along East 23rd street and Nameoki road.

Officials of Union Division, Miles Laboratories, also will be asked to prevent erosion along the West 20th street fence at the local plant where cinders are washing into the street and the city sewers and the fence is near collapse.

An anti-littering ordinance was approved for the old ITR right-of-way adjacent to Victory drive and Terminal avenue. The fines will be $5 to $100 upon conviction.

Alderman Green called for a city-wide no-dumping law to be prepared. He said a dump being developed north of 22nd street and west of the railroad tracks threatens to block off drainage for the North Granite area.

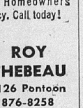

Referred to the city inspector, the city attorney and Seventh Ward Aldermen Dawes and Boker was a complaint from John A. Defford, developer of Village Apartments and a golf course adjacent to the development south of Pontoon road, who said raw sewage was being permitted to flow onto the golf course, creating a hazard and preventing the course from being opened.

Defford said he had notified the city of the condition over a year ago.

Press-Record Youth Focus

100 Attend Opening Of New Coffee House

About 100 youths attended the opening of the Polychromatic Umbrella coffee house, 310 Madison avenue, Madison, where live folk music was featured Saturday night.

The center, sponsored by an unaffiliated group of 25 students from Granite City, Madison and Venice, will operate through June on a grant from the Tri-City Reconciliation Council, with future support coming from community projects and donations.

The coffee house will be open from 7 p.m. to 10 p.m. Fridays and Saturdays. The closing time has been restricted by a 10:30 p.m. curfew.

Folk and soul music will be featured. A versatile program will be maintained throughout the summer. Future plans call for several interior improvements as funds become available.

Members of the board of directors are Harold Campbell, chairman; Chuck Collett, vice-chairman; Nancy Hogan, secretary; Rich Stille, treasurer; and Karen Sasyk, Tony Young, Dennis Brewer and Mike Uram.

Professors at SIU-SW Elect Mrs. Hoyenga

Mrs. Kermit Hoyenga of Collinsville has been elected president of the American Association of University Professors at Southern Illinois University-Southwestern campus for the academic year 1970-71. Mrs. Hoyenga is an assistant professor in the Humanities Division.

Associate Professor William Slattery of Alton, also from the Humanities Division, was elected to serve as vice-president, Mrs. Henry Balch of Edwardsville, associate professor in the Science and Technology Division, is the new secretary-treasurer.

Christian Youth Rally, Parade Planned in July

A Christian youth parade and rally for youths of various denominations in this area is being planned for the evening of July 17.

The parade will begin between 6:30 and 7:30 p.m. that day from the main Granite City fire station, proceeding north on Madison avenue to 27th street and west to Wilson Park, where the rally will be held. The field adjacent to the fire house will be used as an assembly point.

A Christian athlete is to be arranged as guest speaker, and music will be provided by modern Christian vocal groups. Members of the Roca Young Men's Club will serve as marshals for the parade.

In a letter to the city council requesting a parade permit, Rev. Arvin Twietmeyer, pastor of Concordia Lutheran Church, said he hopes 500 youths will be involved.

He said, "I speak for a group of young people who feel constrained to attempt to say to the non-committed Christian youth of the community that the Christian faith and a commitment to Christ is a valid and important position to occupy. It is their desire to do this by means of a march from the new fire station to Wilson Park where a rally will be conducted."

Counseling the effort, in addition to Rev. Twietmeyer, are Rev. Alan Groff, pastor of the First Assembly of God; Rev. Virgil Mank, assistant pastor of St. Elizabeth Catholic Church; Ralph Monken, youth counselor at St. Peter United Church of Christ; Earl Parsons, Roca advisor.

Rev. David Richardson, pastor of the Third Baptist Church; Rev. Kevin Sullivan, associate pastor of Sacred Heart Catholic Church; Charles Swick, youth director at the First Assembly of God; and David Williams, president of Young Life at First Assembly.

Social Security Aid Available by Phone

Social Security benefits may now be arranged by telephone in a new service arranged by the Illinois District Social Security Office at East St. Louis, Ralph Brasher, district manager, announced today.

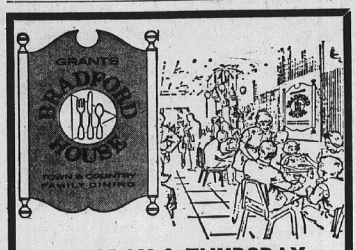

He urged persons served by the East St. Louis office to call first concerning questions or problems in connection with benefits, and in nearly all instances the caller will save a trip to the office.

Most social security business can be transacted by telephone, Brasher said. "For instance, we can help you fill out an application for monthly benefits, change your address for delivery of your social security checks if you are moving, and answer your questions about the whole social security program, including Medicare," Brasher said.

GC Township Bills Ok'd; Total $10,793

Township disbursements totaling $10,793 were approved Monday night by Granite City council members in session as the town board of auditors.

Of the total, $5708 was for town purposes and $5085 for relief. A financial report submitted by Supervisor Nelson Hagnauer showed April 30 balances of $30,059 in the general assistance fund, $3155 in the town fund and $2629 in the Illinois Municipal Retirement fund.

Tips for Used Car Shoppers

(Tri-City and Illinois Bar Associations)

You are shopping for a used car or you may be soon? If so, now is a good time for a lesson in the laws concerning car sales.

The law can't guarantee that you'll pick up a bargain, but it does protect your interest in getting a used car that is in reasonably good running order.

An example is the state's automobile warranty law. It applies to the sale of both new and used cars but, since new cars are backed by manufacturers' warranties, the special application of the state law is to used car sales.

Under the law, the dealer may be required to pay part of the repair cost in case the car proves to have some defect in the engine, transmission or wheels.

The defect must not be due to abuse or collision of the car at the hands of the buyer. It must be reported to the seller within 30 days after delivery of the car to the buyer.

The amount of repair cost which the dealer may be required to pay varies from 50% if the car is not more than two years old to nothing if the automobile is more than four years old.

Of course, nothing prohibits the dealer from offering a used car for sale "As Is," meaning with all its good points and bad, whatever they may be. If the buyer agrees to this condition of the sale, then the seller is released from any liability for repairs after delivery.

The law does what it can to protect the buyer against deceptive sales practices.

It is an "unlawful practice" for the seller of a used car or of any goods to employ any "deception, fraud, false pretense, false promise, misrepresentation, or . . . concealment" with the intent of misleading the buyer.

The attempt at deception is illegal even if the buyer is not in fact deceived.

Among other things, this means that the seller of a used car could be in trouble if the mileage indicator has been altered to show fewer miles than the car actually has been driven.

The law also sets limits on the amount of finance charge which the seller may add to the price of a car that is sold on credit. The limits are liberal enough to satisfy lenders and at the same time protect the buyer against out-and-out usury.

In the case of a new car, the maximum finance charge is $8 per $100 of the loan per year.

The limit jumps to $11 per $100 per year for an automobile that is up to two years old; $14 per $100 per year for a car that is from two to four years old and $16 per $100 per year for any car that is more than four years old.

The used car buyer also should remember the age-old admonition: "caveat emptor" or "let the buyer beware." In that connection, these tips are offered:

1. **Get the name of the car's previous owner.** He can tell you the car's approximate mileage at the time of trade-in, why he traded it and whether it had been in an accident.

2. **Check the oil.** Dirty oil will indicate that the seller hasn't even bothered with normal pre-sale conditioning.

3. **Guard against the purchase of an ex-taxi, ex-police car or former fleet car.** This type of car usually has been driven too hard and too far to make a good buy. Look for holes drilled in the dashboard which might have accommodated a two-way radio.

4. **Have the car examined by a mechanic "whom you trust. He can give you a good appraisal of the car's condition.**

No Refunds? Write After 10 Weeks

(Internal Revenue Service)

Q) I didn't think I had a refund coming so I waited until almost April 15 before I worked out my tax return. How long will it take for me to get my refund?

A) If there are no mistakes on your return to delay processing, you should have your refund in June, about six weeks after you filed. It might take a bit longer, however, due to the large volume of returns filed in April.

Q) What should I do about a delayed refund?

A) If you have not heard anything about your refund and it has been 10 weeks since you mailed in your return, then you should call your local IRS office.

You should wait 10 weeks before calling as this period of time is generally sufficient for the refund to be issued or a letter sent to the taxpayer explaining why it is delayed. To call before 10 weeks can delay the processing of your return.

When inquiring about a missing or delayed refund, give your name, current address, Social Security number and the date the return was filed.

Q) How do I get a Social Security number? I need one for a summer job.

A) Your local Social Security office has Form SS-5 you can use to apply for a Social Security number.

Send the completed form to the Social Security Administration and they will assign you a number.

Q) What do I do with the forms I had left over after I sent in my estimated tax declaration?

A) Keep them for your remaining quarterly estimated tax payments. The worksheet will help you determine the amount of your payments and make any adjustments that are necessary.

The pre-addressed vouchers and envelopes should be used to make your payments.

Q) I'm buying a house this summer. What records should I keep?

A) Your records should show the purchase price of the house and any improvements you make to it that would affect your cost basis.

This information will be necessary to determine whether you have any gain to report when it comes time to sell.

Each year you should keep a record of the property taxes and interest paid on mortgage loans. These can be deducted on your income tax return if you itemize.

More information can be found in Publication 530, Tax Information on Deductions for Homeowners. Send a postcard to your IRS district office for a free copy.

Airport Authority, Funds Big Boost for This Region; Pollution, Drainage Gains

What kind of record did the Illinois legislature make during its special session in April-May 1970? Generally constructive, from the standpoint of Quad-Cityans.

A towering achievement was the creation of the St. Louis Metropolitan Airport Authority and the provision of $1½ million for preliminary planning by the authority. Its goal is to create a major airport, costing an estimated $350 million, financed by revenue bonds guaranteed by contracts with airlines.

The airport will be located in Illinois near St. Louis and is expected to attract the bulk of the passenger flights to and from the bi-state metropolitan area. It is to be operated jointly with Lambert Airport by the state of Illinois and city of St. Louis. Enactment of this legislation assures that the ten-year development project will get off to a prompt start.

Adding $88 million to the $4.9 billion July 1970-June 1971 budget submitted by Gov. Ogilvie, the legislature provided, among other things, $8 million to help local governments which will lose funds because of exempting household furniture from personal property taxes and a homestead exemption plan.

It was the first Assembly session under a new program of annual meetings, linked to the yearly budgeting initiated by the governor; previously, state funds were appropriated for periods of two years.

Legislators approved Gov. Ogilvie's plan for overhauling the state antipollution structure; despite amendments, the program adopted is considered the strongest in the U. S. against air and water polltuion, noise, trash and radiation, and the strongest for preservation of natural resources.

The 29-bill package sets up three new agencies that complement each other—an environmental protection agency, a single pollution control board and an applied research and development institute on the environment. A bond issue, if approved by voters in November, will provide $750 million for municipal sewage treatment and solid waste disposal.

An $18,000 appropriation for land for a Cahokia drainage pumping station was viewed as the first instance of the state acting as local-level sponsor for interior flood control in this region. Its passage bolstered the Illinois Waterways Division commitment to fill this role in the long-discussed state-federal hillside stormwater diversion project.

Negative stands were taken by the General Assembly on easing abortion restrictions and on permitting county referendums for discontinuing adherence to the 1967 gun registration law. Also dropped was a bill intended to test the constitutionality of the Vietnam war.

In approving university appropriations totaling $416 million, the Assembly created a House-Senate committee to investigate campus unrest. Tuition was raised an average of $75 a semester beginning next January.

With north Illinois-south Illinois geographic prejudice probably a factor, some legislators took the occasion to express lack of confidence in administrators of SIU-Carbondale, the only state university campus in Illinois to be closed for an extended period as a result of student violence. The criticism gave impetus to the prospect of the Carbondale and Southwestern campuses being separated in their administration and possibly their governing board.

No tax increases were voted, and a House-passed legislator pay raise—from $12,000 to $15,000 a year—was killed in the Senate.

Funds for the new Horseshoe Lake state park were reappropriated, and land acquisition has begun. Proposals to financially aid parochial schools failed, with the state instead moving to pay a bigger share of the overall costs of operating public schools.

An additional General Assembly session is scheduled to begin June 16 to appropriate for salaries of legislators and elected state officials and to further discuss proposed metropolitan transit aid.

The extra session will provide another opportunity for legislative service by Dr. Merrill Ottwein, state senator from this district, who has found much to do at Springfield during his brief partial term. Sponsor of the airport bill and of other major legislation, he had a prominent, influential role in the deliberations of the Republican-dominated Senate during the past two months.

No Lack of Local Concern, Action on Depot

A letter in The Forum today repeats the thought that the future of the Granite City Army Depot depends on the attitude of businessmen of this area rather than on the attitude of the U. S. Defense Department.

This is an erroneous assumption. Pressure to reverse the shutdown order should be and is being exerted by many people, groups and firms, but the decision will be made in Washington, not locally.

Another inaccurate contention is that there is a lack of concern and action by industries, merchants, small businesses, etc. There is serious concern and there has been direct action, including talks in Washington.

Allegations to the contrary serve no purpose other than to create friction and disharmony. And they divert attention from the objective of keeping the Depot operating and its staff working and earning.

Those who say they are endeavoring to save the Depot should get on with the task, presenting as much evidence as they can to show that its perpetuation is in the national as well as local interest. They should not use false issues to direct employees' understandable frustration and anger against convenient but innocent scapegoats.

AREA OR CITY COLLEGE CAMPUS DESIGNATION?

To the Editor:

At the entrance to the campus at SIU in Edwardsville, there is a sign which reads, "Southern Illinois University, Edwardsville Campus."

It is a very expensive sign. Somehow, its message did not reach you, since you persist in calling the campus, "SIU, SW."

Why?

MRS. JOSEPHINE BEATTY
2556 Pontoon road

(Editor's note: In today's vernacular, I guess you would call this our "hangup." We may be "jousting at windmills" but, as one of the original committee members and donors to the fund that launched land purchases for the campus, we recall the university's primary mission—to serve as a commuter institution for the Illinois Metropolitan Area, basically Madison and St. Clair counties. Consequently, it was intended to have an IMA designation and, hence, our Southern Illinois University-Southwestern designation. This could be termed, I suppose, our non-violent dissent bit to the Edwardsville appellation.)

TV WATCHERS WHO WON'T THINK CAUSE 'DAMAGE'

To the Editor:

A lot is being said about universities and their students and, to me, it is the the most hopeful sign that has appeared on the horizon throughout my entire life of 67 years.

For at least two decades, I have been saying that our educational system was the biggest swindle in American life. It is truly gratifying that it is finally getting through to some of the students that there is something very much wrong.

From where I sit, I am in no position to pass judgment on the validity of many of the students' complaints. They are numerous and, at times, it seems that they are not so well thought out. But, at least, they are thinking; they are trying.

As for my own education, most of it has been after I was 30 years of age. I went to school to learn, not to be taught or indoctrinated.

I attended evening classes at one university for over four years. I worked with graduate students as a research technician at another university for two years. I have a brother and a brother-in-law who are faculty members of different state universities. My three children are all university graduates, so I have not been altogether removed from what has been going on.

I am not trying to justify the violence and destruction that has been going on, but I should like to remind those who have been breaking out in righteous indignation that in they, the communications, who are going to have to pay the bills.

Unfortunately, our generation is far from paying for the various and sundry damages we have done by simply watching TV and refusing to think.

As for my idea of what is wrong with the educational system, if I may be audacious enough to call it that: Entirely too much of our resources and energies have been used to supply the whims and needs of vested interests.

Too much has gone to augment and to accentuate the advantages of the more fortunate over the less fortunate.

Too little has gone toward developing an understanding and appreciation of the attributes and values that are so essential to the welfare of society as a whole.

When we educate a criminal, we merely increase his capacity as a menace to society.

When we educate people without making certain that they feel a sense of responsibility toward the society that made that education possible, we are committing a far worse crime than those kids who are breaking windows and burning some buildings which maybe or may be not should have ever been there.

Please do not blame it on the kids. What has been happening is the ultimate and inevitable consequence of neglect that has been going on for years.

Many years ago, I complained that there was a dead spot in the educational system. We were not and are not now directing students toward the sound, valid premises that are essential to worthwhile political and economic thinking.

Had this been done, we would not have the confusion and dissension that exist today.

In these very important areas, we have glorified ignorance and confusion by saying that every person has a right to his own beliefs, and too many people seem to think that there is some kind of virtue in just believing something.

What we need most of all today is to know more and believe less.

SEES INDIFFERENCE TO FATE OF ARMY DEPOT

To the Editor:

I read an article May 20, "Merchants Not Aiding Bid to Keep Granite City Depot Open—Hoskin," with confusion and disgust.

I'm confused in regard to why the business and industrial communities, along with the Chamber of Commerce, aren't giving a helping hand in fighting to keep the Depot open, instead of a kick in the pants. Is it because of an old scrap, which took place several years ago, that can't be put to rest for the good of the community? Conflicting personalities, maybe?

Important facts have been painstakingly gathered that could save the Depot if only our big businessmen and industrialists would swallow a wee bit of their pride, or lose their indifference. They should step forward and help us "little people" make the government listen, at least.

Their indifference will someday cut their own purse strings. If the Depot does close, the little boys will have to grow up. Property will be put on sale. A large amount of taxes, contributions and buying power will go to other states.

Many left behind won't be able to pay taxes or contribute, much less to buy.

If they won't pitch in and help us now, where will the additional help they're going to need in the future come from? I will say one thing: we little people can't do it all by ourselves.

It's a dirty shame that Hoskin has to be the one "lone stranger" trying to do the job that, by rights, belongs to the entire community.

Colonel, I think you've earned your long pants. What about you other little boys? I am a thoroughly disgusted "Depot wife."

Preventive Education, Parental Guidance Could Curb Drug Abuse

By GERALD W. BROWN, GCHS Counselor
(Second of two articles)

How can the growing problem of drug abuse be solved?

Education and educators are part of the answer. To be effective, however, educators must be certain that they:

1. Genuinely like kids.

2. Are honest . . . unbiased . . . admit that we don't have all the answers.

3. Don't become a missionary in drugs. This "turns young people off." Tell the truth.

4. Avoid questionnaires. You'll get no straight answers from users.

5. Promote "risk factor" information; students should know "odds" they face with drug experiment, sky diving, etc.

6. Start the information process in the lower grades. Grades 4, 5, and 6 are too late in some communities.

Affluence and drugs seem to parallel poverty and drugs. Bored kids who have played on several uniformed ball teams; who have been to several formal dances; who are tired of the beach and their cars because both are commonplace; who are looking for excitement to replace these mundane activities. When you've done it all at age 15, what does one look forward to?

Kids ask, "What does marijuana do?" They are not aware that there are as many grades of marijuana as there are grades of tobacco, that different individuals have different tolerances, and that tolerance can change from day to day depending on body chemistry and psychological attitude.

Some say the kids are right, that alcohol is a bigger problem and we aren't doing much about it. But they must understand that two wrongs don't make a right, that we cannot put another burden on our society without breaking the "camel's back."

Some pushers in large cities are operating like gasoline stations. Walk in, get your shot, walk out. No danger of being charged with possession of narcotics.

Some say that the young are just rebellious, that they desire to antagonize parents and adults in general. Why then do the Mormon students of Utah take narcotics when a can of beer or a cigaret would infuriate their parents and 80% of Utah's adult population?

There are all kinds of cripples and society makes adjustments for them so that they can function somewhat in the mainstream of society. Why then does society not wish to help a marijuana cripple? There are many in Chicago alone who sit all day in a marijuana dream world, unable to function.

You teachers say you're not a substitute parent. Like heck you're not!

Basically, isn't respect for law really respect for people?

The attitude toward drugs in middle-class America is similar to the attitude toward cancer in the 1930s. We don't understand it and, out of fear and misinformation, we don't want to talk about it.

But we have an epidemic in America today, and must talk about it.

I read an article May 20, "Merchants Not Aiding Bid to Keep Granite City Depot Open—Hoskin," with confusion and disgust.

I'm confused in regard to why the business and industrial communities, along with the Chamber of Commerce, aren't giving a helping hand in fighting to keep the Depot open, instead of a kick in the pants. MRS. LAVERNE KAMADULSKI
1828 Second street, Madison

Many feel that the drug problem in America is "too big to be whipped"; in a few years, they may be correct.

We must remember that Japan has "whipped" one of the largest drug problems in the history of the world. After world war II, there were 4½ million habitual amphetimine users in Japan; today, there approximately 8000.

They attacked the problem with a basic assumption that most people would not become addicted to drugs of any type if they knew the risks involved. They then went to work in the schools.

In New York State, narcotic addicts were encouraged to discontinue their participation voluntarily. Ninety percent of the 6800 addicts who tried . . . failed.

Over a period of three years, 70% of 63,000 addicts who voluntarily entered the U. S. Public Health Service Hospitals in Lexington and Fort Worth left voluntarily in the first thirty days of treatment.

The number of adicts in New York State exceeds 65,000. This number accounts for much of the crime in the state, especially crimes against property.

Drug addiction is a disease and should be treated as such.

Narcotic addicts, though possessing some common characteristics, nevertheless reflect the variety of human differences which are to be found among other segments of society.

Ex-addict operated programs are not the sole answer to the problem; psychiatric approaches are not the sole answer to the problem; methadone maintenance is not the sole answer to the problem.

There is no single method of treating or rehabilitating narcotic addicts.

Unless an addict sells drugs or commits prostitution, he or she usually steals in order to obtain the wherewithal to purchase drugs. The addict is a person who forges checks, burglarizes homes and stores, shoplifts and commits a whole myriad of crimes against property.

The result is congested court calenders, over-burdened trial courts, crowded detention facilities and, frequently, a near breakdown of the criminal justice system.

There are two major steps that must be undertaken in order to cope with the problem of drug experimentation:

1. We must mount effective preventive education programs and they must be offered to children and youth, and to adults as well.

2. We must provide "helping services" for those who require assistance.

Most of those who are experimenting with drugs today are casual experimenters who will terminate their drug experimentation after a brief period of involvement and will not become further seriously involved in the drug scene.

Several million high school and college students have experimented with marijuana, but 65% of this number will not use marijuana more than 10 times while most will use it only once or twice.

There must be increased parental and moral guidance.

There must be commitment and involvement.

Fuller to Address 1100 Graduates at SIU-SW June 13

R. Buckminster Fuller, internationally known inventor-designer and professor of design on the Carbondale campus, will speak at commencement exercises at Southern Illinois University-Southwestern June 13.

Fuller is the originator of the geodesic dome design which he has used in buildings in several countries and at exhibits at the New York World's Fair of 1964 and the U. S. exhibit in Moscow in 1959. He is also the founder of the Dymaxion Corp., the inventor of the dymaxion house and a three-wheeled automobile.

For many years Fuller has served as a consultant throughout the world on problems of design. On June 25 he will receive the Gold Medal from the American Institute of Architects at ceremonies in Boston. In 1968 Fuller was awarded the royal gold medal for architecture by the Royal Institute of Architects. The medal was presented by Queen Elizabeth.

Fuller is also well known as a mathematician and the developer of energetic-synergetic geometry. He has written and lectured extensively and holds several honorary degrees.

In recent years Fuller has developed what he calls "The World Game," which utilizes game theory and systems analysis, along with an inventory of world resources, to solve major problems. Fuller often refers to the world as a finite, closed system resembling a space ship.

More than 1100 are candidates for degrees. Chancellor John S. Rendleman will present the candidates and degrees will be conferred by President Delyte W. Morris.

The commencement ceremony will be held in the Mississippi River Festival tent with a concert by the University Symphonic Band beginning at 7 p.m. The processional for commencement will start at 7:20 p.m.

Following the ceremony a reception will be held at the site, honoring graduates and their families.

In the event of rain the ceremony will be held in the University Center ballroom.

LARGEST BASS caught by Ron Briggs, 14, of 2233 Grand avenue, at a fishing derby during the recent Uniwah district camporee at the Washington county state conservation area. It weighed 2½ pounds and was 16⅛ inches long. He is a member of Boy Scout Troop 8, sponsored by the First United Presbyterian Church. It was the first fish he ever caught.

4 Workshops Planned At SIU-Carbondale

Four workshops scheduled for June on the Carbondale campus of Southern Illinois University will be conducted as planned, the University Extension Services has announced.

The programs are the workshops in Conservation and Outdoor Education June 15-26, Human Relations Laboratory and courses in Group Study June 14-27, Baseball School June 22-27 and June 29-July 4, and Choral Arts June 28-July 2.

Further information about the workshops can be obtained at the University Extension Services at Carbondale.

The Southern Illinois University Southwestern Farms Research Center has changed its name to the Southern Illinois University Belleville Research Center. University officials hope the change will make the center easier to locate.

Roca Club to Initiate 11 Pledges on Saturday

The Roca Young Men's Club will initiate 11 new pledges in formal ceremonies at 8:30 p.m. Saturday.

They are Dennis Ross, Daniel Noeth, Steve Burdge, Russ Cherry, Rick Prehn, Randy Kamucha, Eric Cunningham, Perry Dillard, Gene Doyle, Mark Whitworth and Willie Arnold. All are sophomores at Granite City high school with the exception of Arnold, who is a ninth grader at Grigsby junion high school.

The initiation degree will be conferred by Advisor Earl Parsons, President Earl Anderson, Pledgemaster Tim Moore and the members.

Tryouts and rehearsals are progressing for the club's sixth annual Roca dinner-show, entitled "Twenty Years of Roca." Incorporated into the show will be musical as well as historical highlights of the past two decades by the members and sweethearts. Several of the numbers are to be featured in the Miss Granite City pageant later this month.

Upcoming events include election of the club's summer sweetheart, who will serve as official hostess for the show. Also planned are a dance to be sponsored by the Tri-Hi-Y and a new charity project.

Anderson announced that an executive board meeting will be held to formulate plans and ideas for the months of June, July and August.

3 Award Winners At St. Elizabeth

Charles Barth, son of Mr. and Mrs. Charles W. Barth of 58 Riviera drive, was the recipient of both the American Legion award and a scholarship to St. Louis University high school in St. Louis, at the graduation ceremonies, Thursday evening, at St. Elizabeth school.

Also receiving honors at the graduation for 43 eighth grade students, were Stephanie Gerboc, daughter of Mr. and Mrs. James Gerboc of 2429 Angela drive, who received a scholarship to St. Teresa Academy, East St. Louis; and Toni Simmers, daughter of Mr. and Mrs. William Simmers of 213 Lenox avenue, who was given an American Legion Award.

Rev. Lawrence Mattingly and Rev. Virgil Mank made the presentations.

The 1970 mathematics field day drew students from 53 high schools to Southern Illinois University, Carbondale. The top student received a four-year SIU tuition scholarship.

Explorer Post Indian Dancers End Season

Indian dancers of Explorer Post 6 have concluded their current dance season, Advisor Donald Beck announced.

During the past year the post performed 18 times in the metropolitan area and at two special functions, the recent Scout-O-Rama and the United Fun Fair.

The unit's dance season runs from November through May, and organizations wishing the dancers to entertain next year may call Beck for bookings and details. The post, sponsored by the Concordia Lutheran Laymen's League, is in its 20th consecutive year.

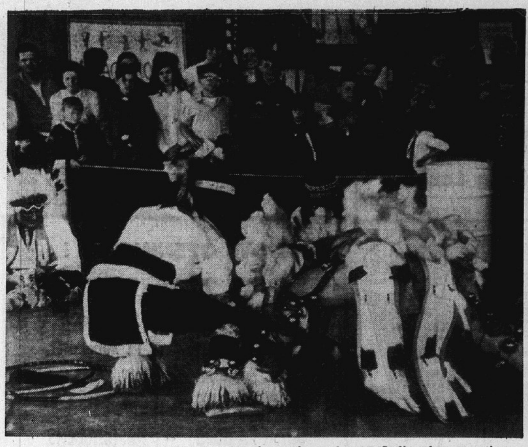

Archives for Music Donated to SIU-SW

An anonymous donor has presented original musical manuscripts and archival material of more than 500 contemporary composers to Southern Illinois University-Southwestern.

Announcement of the gift was made this week by Warren Joseph, professor of music and assistant to Chancellor John S. Rendleman.

Entitled "Archives for New Music," the aggregation is reputed to be the greatest collection in Europe of original music notes, manuscripts, autographs and photographs of contemporary European composers. Composers from 19 European countries are represented, Prof. Joseph said.

Among the more familiar names are Paul Hindemith, Karl Orff and Richard Strauss of Germany; Jean Sibelius, Finland; Flor Peeters, Belgium; Marcel Dupre, Marius Milhaud, Maurice Ravel of France; Luigi Dallapiccola and G. Franceso Malipiero, Italy; Arthur Honegger, Switzerland; Bela Bartok and Zoltan Kodaly, Hungary; and Joaquin Turnia, Spain.

EXPLORER POST 6 DANCERS who performed many Indian dance routines held at the Scout-O-Rama at Wilson park. Among them is the "fluffy contest dance" shown above. Explorer Bruce Evans attempts to pick up the fluffy feather while Rich Momphard taunts him. Others sitting, left to right, are—Pat Alexander, Don Rivenburgh and Larry Todoroff.

Two Awarded Academic Honors at Carbondale

Honors for consistent academic achievement have been conferred on a total of 820 students of Southern Illinois University at Carbondale, including two from the Quad-City area.

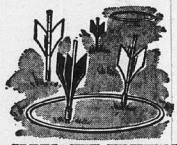

They are Jeffrey A. Lybarger, 1825 Primrose avenue, a freshman, and Terry L. Stawar, 1648 Fourth street, Madison, a junior. The awards and certificates will be mailed to the students.

Creighton U. Graduate

James F. Ritchie, son of Mr. and Mrs. Quentin E. Ritchie, 2314 Delmar avenue, received a bachelor of science degree in business administration from Creighton University at commencement exercises Saturday at the Omaha, Neb., campus. He majored in accounting. While attending Creighton, he was a member of Beta Alpha Psi fraternity.

Types of Forging Outlined for Club

The "Art of Forging" and precautions that can be taken to avoid becoming the victim of a forger was the topic of Carl Wyman guest speaker, at Tuesday's Granite City Rotary Club luncheon meeting at the YMCA.

Wyman, who is employed by a check protector firm, said millions of dollars are lost each year to the forger. "Many people are victims of such a ruse but are too embarrassed to report the incident. Forging is the second largest crime in the the country, ranking second to drugs."

The speaker said there are three types af forgers — the crafty professional; the amateur, who really does 75% of the forging, and the opportunist.

Wyman said most businesses and individuals do not take the necessary precautions to avoid being victimized. "They may leave blank checks lying on desks or in the open, easy prey for the alert forger, and many times sign a delivery slip in the signature also used for banking, thus giving the forger a good example of their handwriting."

Police officials are aware of 139 known methods most commonly used by the forger, but it is still difficult to keep up with the crook and his new inventions, Wyman concluded.

Carl Mathias, president, presided at the meeting attended by 38 members and a guest and former president, William Hoedebeck, who is visiting here from Florida.

Jack Lawson, program chairman, introduced the featured speaker.

A brief discussion was held on the forthcoming Modern Living Show, an annual project of the club. Donald Adams is the general chairman. Grad Krause, who is in charge of booth sales, announced 19 booths have been sold to date.

Adopting Wild Animals Illegal

Adopting a young wild animal is an act of cruelty, according to Bill Miller, chief of law enforcement for the Illinois Department of Conservation.

Adopting wild rabbits, raccoons, squirrels or other animals is not only unkind but illegal and it could be dangerous, Miller added. The Game Code states that anyone who has a protected wild creature in his possessoin must have a wild game breeders permit. The animal must be obtained legally, that is purchased from another licensed game breeder. The $10 permit must be obtained prior to acquiring the animal.

Miller said that the nature of a wild beast is to bite. "They have not been tamed by thousands of years of domestication," Miller added. "I don't want to be an alarmist, but last year rabies was positively identified in 68 skunks, eight foxes and two bats.

"In past years, the disease has been found in raccoons, squirels and other wild animals. The number of rabies cases reported in domestic pets has decreased through the years, but in wild animals rabies has increased."

Driver Involved in Two Auto Accidents Monday

Joseph T. Aquilone, 4500 Vine blvd., was involved in two auto accidents within an hour and a half Monday afternoon, both at Pontoon road and Franklin avenue.

At 12:15 p.m. his auto struck the rear of a car driven by Gertrude I. Stafford, 2720 Angela drive, who was halted for a stop sign, and he was charged with following too closely. At 1:45 p.m. it struck the left rear of the parked auto of Linda Bone, 2521 Ivy lane, on the Maryland Bi-Rite supermarket lot, police said.

Reports Shot Fired

William Clark, 806 Madison street, Madison, reported to Venice police early yesterday morning that a shot was fired at him from an auto while he was at Douglas and Weaver streets. Clark told officers that, a car containing four men passed by him and one of the men laid a gun across a car door and fired at him. The incident occurred about 12:15 a.m., he said.

Repair Contracts Ok'd for Two GC Sewer Breaks

Authorization was given Monday night for repairs to be started at two sewer breaks in Granite City.

One break at No. 34 Oaklawn drive was to have been repaired several months ago and about $5000 was spent on preliminary work, including the sinking of two de-watering wells, and then the work was halted because of a denial of federal funds.

The other location is a manhole at Clark and Primrose avenue.

Mayor Partney stressed Monday night that the yard at the Oaklawn drive address has been torn up for months and the line is causing other problems. It was estimated by the engineer that the projects would cost about $12,000 each.

The Oaklawn break resulted from a buildup of solid wastes in the trunk line that resulted from installation of a sump pump about nine years ago.

Installation of the pump was necessary when the Terrace lane line was replaced at a higher level. The Oaklawn line empties into the Terrace lane sewer. The engineer explained the sump pump will handle only liquid wastes.

The repairs are to be carried out by A. H. Seebold Co. under its running contract with the city.

Alderman Nonn called for council approval — when the time comes for the new tax levy ordinance — of added tax for maintenance of sewers. He said the added tax, that can be voted by the council, will add $100,000 to the city's income but should be earmarked specifically for the sewer repairs.

The aded amount of tax has been voted down by the council for the past five years, it was noted.

Rutledge pointed out the added eight-cent tax rate for sewer maintenance a year ago could have saved the city considerable financial worry this year. "After all," he commented, "we have 145 to 150 families of city employees dependent of the city for their incomes, and we've been forced to use funds available for general purposes and payroll to pay sewer repair bills."

New Store, Homes, School Addition In GC Building

Construction of a "quick-stop" dairy store, the new addition to Lake school and 21 new homes topped building activities in Granite City during May as 59 permits listed values totaling $448,640.

The permit for the store, to be located at 2922-24 Nameoki road at a cost of $24,000, was issued to Joseph Nowicki, operator of Grand cleaners.

Nowicki said the building will be leased to Clarence Clay, operator of the Farm Fresh Drive-In Dairy Products store at 2928 Nameoki road.

The modern one-story brick building will contain 2400 square feet of space. Cedar shingles will encircle it. The contractor is Diversified Contractors of Carbondale.

Two permits were issued to raze houses at the location at a total cost of $2700.

The permit for the Lake school addition listed a cost of $108,000, and the 21 homes, announced previously, have a cost of $264,500.

Permits for other purposes during the month included three additions to homes, $6000; six garages and carports, $5550; 19 for remodeling and repairs, $21,350; five for commercial-industrial purposes, $32,000; two trailers, $10,000; and three miscellaneous, including the school, $109,240.

The total for the month was well above that of April when 51 permits showed values of $185,014 and of May of 1969 when 52 permits listed values of $241,552.

Permits during the last week of May were issued to Winford G. Marler, 2212 Bryan avenue, a trailer, $4000; Otis Price, 2103 Alexander street, a carport, $600; Joseph Jackovich, 2625 Madison avenue, repair roof, $30; and Audrey Zeibig, 3032 Myrtle avenue, repair porch.

Two Insurance Agents Win Trip to Hawaii

Mrs. Velma B. McIlvoy, 2605 Edison avenue, and Dwight F. Wade, Edwardsville, leading Granite City representatives of Metropolitan Life Insurance Co., have been invited to participate in a four-day business conference at the Hilton Hawaiian Village in Honolulu the week of June 7-12.

Last year both agents placed more than $1,000,000 in life insurance to rank among the firm's leaders.

$50,000 Federal Grant For SIU-SW Program

A national training program for detention home personnel will be continued at the Southwestern campus of Southern Illinois University through a recent $50,000 Grant from the U. S. Office of Juvenile Delinquency and Youth Development.

The program, under the direction of the University's Center for the Study of Crime, Delinquency and Corrections, began in 1968 at the request of the federal Office of Juvenile Delinquency and Youth Development to investigate and identify the need for training programs in detention homes.

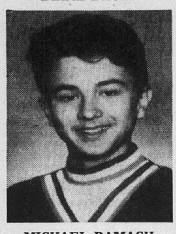

A national survey indicated the need and SIU-SW began the task of designing a nationwide program.

According to John A. Holmes and Thomas R. Hughes, staff members of the project, the initial proposal involved a major research effort, since little information in this area is available.

As part of the program, workshops are held to merge social science theory with practical experience. The most recent workshop was held May 10 through 22 for 20 in-service staff trainers from detention facilities throughout the country. The objective of this workshop was to enable participants to learn how to develop training programs at their own institutions.

Tuition Experiment Working at Eastern

A unique tuition experiment, proposed by President Quincy Doudna and approved by the Board of Governors of State Colleges and Universities, went into effect at Eastern Illinois University at the beginning of the fall quarter, 1969.

Under the proposal, the following tuition rate applied:

Fall quarter, $100; winter quarter, $75; spring quarter, $60; and summer quarter, $10.

Although the administration feels it is too early to say that the decreasing tuition rate from quarter to quarter definitely is a factor in correspondingly higher enrollments in the winter and spring quarters of 1969 and 1970, Doudna is "cautiously optimistic" that the plan is working.

In the fall quarter of 1969, the enrollment was up 9.8% over the preceding fall. In the winter and spring quarters, when the fee was lower, the enrollment was up 11.3 and 13.3%, respectively.

The plan for differentiated rates was designed to balance year-around enrollment and to provide for full utilization of university resources and facilities.

Explorer Post 6 Holds 20th Birthday Party

Explorer Post 6 recently held a barbecue at the home of its advisor, Don Beck, in commemoration of its 20th anniversary charter.

The post has the distinction of being the oldest continuous active post in the Cahokia Mound Council.

Games and activities as badminton, darts, horseshoes and basketball were played, and the group was served a dinner prepared by Mrs. Beck.

Highlight of the afternoon was the presentation of the 20th year birthday cake to the members by Beck. He also commented on the history and accomplishments the post has made since its charter year. It is sponsored by the Concordia Lutheran Laymen's League.

Attending were Mr. and Mrs. Don Rivenburgh jr., Mr. and Mrs. Phil Heath, Mr. and Mrs. Pat Alexander and daughter Carolyn, Mr. and Mrs. Don Beck and daughter Debbie, Mr. and Mrs. Larry Todoroff, Mr. and Mrs. Rich Momphard and sons Ricky and David.

SIU Faculty to Probe Course Content, Mode

A faculty-wide examination of the "content and mode" of undergraduate teaching has been called for at Southern Illinois University's Carbondale campus by its chancellor, Robert W. MacVicar.

In a general memorandum to deans, department chairman and faculty members, MacVicar said events which led to the closing of SIU-at-Carbondale earlier this month pointed out many sources of student discontent.

One of them, said MacVicar, was a "loud and distinct signal" that what is being taught to undergraduate students "was not sufficiently important to them that they wished to make the choice between making a point by closing the university or keeping it open in order to enjoy the benefits of the program."

MacVicar asked department and unit heads to pull in faculty, graduate students, undergraduates, former students and even prospective employers of SIU graduates to help in evaluating undergraduate courses.

He said the curtailed spring quarter and upcoming summer term provide "a real opportunity to carefully examine whether or not the traditional content and mode of instruction is adequate to the demands of the turbulent seventies."

Singled out for special emphasis was SIU's general studies program, a required course of basic studies covering up to two years of all undergraduates' classroom time at the University.

'Roku' to Close Spring Teen Town Dance Card

"Roku" has been booked to play the final dance of the spring session at the YMCA Teen Town from 8:30 to 11:30 p.m. this Saturday.

The group played at the "Y" on May 2 and drew a large crowd. It includes Chris Hamilos, formerly of "The Rising Sons," and a girl singer.

Summer dances at the "Y" will be held every Monday night beginning June 15. "Blue" will play the following Monday, with "The Guild" scheduled for June 22.

Three Southern Illinois University, Carbondale, faculty members have been named to a 12-man committee that will help plan for new state parks and conservancy areas.

Ratkewicz Completes Air Preparatory School

Cadet Candidate Arthur G. Ratkewicz, son of Mr. and Mrs. Anthony V. Ratkewicz, 1608 Fifth street, Madison, has graduated from the U. S. Air Force Academy preparatory school.

During the 10-month course, conducted at the air academy near Colorado Springs, Colo., he received concentrated training to prepare him for the academy entrance examinations and to succeed as an academy cadet.

Included were military and physical training and intensive instruction in English and mathematics at the college level.

Cadet Ratkewicz will enter the academy this month to begin his four-year academic and military studies for a bachelor of science degree and commission in the Air Force. He is a 1969 graduate of Assumption high school, East St. Louis.

Tri-Cities YMCA Summer Program Geared to Start

The summer series of recreational activities sponsored by the Tri-Cities YMCA, a United Fund agency, gets under way this week with instruction sessions for beginning and progressively advanced swimmers and those enrolled in the special mother-tot swim program.

Also starting this week at the local YMCA are beginning gymnastics for boys and girls, to be held each Tuesday from 4 to 5:15 p.m. through Aug. 18, and beginning and intermediate classes in judo instruction, which starts Saturday.

YMCA memberships are available to all Quad-City residents at a cost of $18 per year for youth, six to 13 years, and $20 per year for teenagers, 14 through 18 years.

Youngsters may register at the present time for all programs scheduled during the summer months, with registrations handled in the Youth Department Office. Those wishing to advance register must have an active membership card or must pay the program fee. Additional information may be obtained by calling 876-7200.

The initial session in a ten lesson series of swim classes began this week for all categories in the YMCA's Progressive Aquatic Program, ranging from beginning tadpole and paddlers to the shark division.

A second ten-lesson series will begin June 15, and end June 26. Instruction is given daily Monday through Friday with the time schedule varying for each swim group, depending on proficiency.

Successive swimming instruction courses are arranged for June 29 to July 10; July 13 to July 24; July 27 to Aug. 7; and Aug. 10 to Aug. 21. Each course consists of ten lessons at the YMCA pool.

Outdoor Swim Classes

Basic courses for beginner swimmers also will be conducted by the "Y" staff at Fun 'N Sun Resort, along Highway 66, at Mitchell. Children must be eight years or older to enroll. Classes will begin June 15 and run to June 26.

Classes will be held from 8:30 to 9:30 a.m. and from 9:30 to 10:30 a.m. weekdays. A second series of swimming classes will be taught at Fun 'N Sun, starting July 20 and continuing to July 31.

Fee for the special instruction courses will be $10 for ten sessions for non-Y-members. Registrations for the outdoor swim program also will be handled at the YMCA.

A parent-tot swim program for children ages three, four and five, who are accompanied by a mother or father, will begin June 22. The 12-session program will take place at the YMCA pool on Mondays, Wednesdays and Fridays, from 6 to 7 p.m. "Y" members will pay $6 and non-members, $12.

The mother-tot swim program, which started earlier this week, will be repeated beginning July 27. Also consisting of 12 sessions, the mothers and their children, three to five years, will attend classes at the "Y" pool from 9 to 9:45 a.m. Monday, Wednesday and Friday.

Judo Sessions

Beginning judo classes will start Saturday, with sessions scheduled from 9 to 10:30 a.m. each Saturday through Aug. 22. Both boys and girls may receive judo instruction, with "Y" members paying $2 and non-members, $12, for the course.

Intermediate judo, also for boys and girls, will be conducted on the same day each week from 10:30 a.m. to noon. The cost is the same as the beginners.

Gymnastics for beginning boys and girls will be taught in weekly classes to be held from 4 p.m. to 5:15 p.m. Tuesdays. A minimum enrollment of 15 students is required, with "Y" members charged $2 and non-members, $12. The series ends Aug. 18.

A boys' gym program from 10 to 11 a.m. Saturday also is announced. "Y" members may attend free, while non-members will be charged 50 cents.

Saturday mornings at the YMCA also will feature recreational swims for boys and girls, ages six to 13 years. Non-members may swim for a 50-cent fee from 9 to 10 a.m.; girl members from 10 to 11 a.m.; and boy members from 11 to noon.

Camping Opportunities

The initial camping period for boys and girls ages nine to 17 years, is scheduled from June 15 to June 27.

Five 12-day camping periods through Aug. 22 are being offered at Camp Lakewood. Activities include archery, riflery, boating, canoeing, sailing, camp crafts, swimming, fishing, diving, nature crafts and horsemanship.

Camp fees for the each 12-day period are $110. An advance fee of $15 is required, $10 of which will be returned to the registrant should they later be unable to attend. Family camping also is available at Pere Marquette State Park at Grafton.

Teen Dances, Programs

The YMCA will once again sponsor teenage dances every Monday night throughout the summer. The first dance in the program will take place June 15, featuring "The Guild."

A series of 12 beginner judo sessions began this week, with classes held each Monday from 7 p.m. to 9 p.m. "Y" members may attend without charge with non-members paying $12 for the course.

Advanced gymnastics will be instructed in a 12-lesson series, with weekly classes held Wednesdays from 6:30 to 8:30 p.m., through Aug. 19. Cost of the course is the same as judo.

Swim instruction for high school girls and women is being offered each Tuesday from 8 p.m. to 9 p.m., with high school boys and men instructed from 7 p.m. to 8 p.m. on the same night. Both sessions will run through Aug. 18, with "Y" members free and non-members paying a $12 fee for the 12 sessions.

High school age youth and adults may enjoy recreational swim periods at the "Y" pool from 8 p.m. to 9 p.m. Mondays; 7 p.m. to 8:30 p.m. Wednesday; 7 p.m. to 8 p.m. Thursdays; 8 p.m. to 9 p.m. Fridays; and from 1 p.m. to 2 p.m. and from 4 p.m. to 5 p.m. on Saturdays.

Canoeing Instruction

A canoeing program, open to all teenagers who have completed at least the ninth grade, will be sponsored by the YMCA at Fun 'N Sun Resort starting July 6 and ending July 17. Teens interested in taking part in the program may call the "Y" at 876-7200 after June 15 for information on fees and hours.

A children's theatre for boys and girls, ages nine and over, will be organized by the local YMCA this summer. The program will consist of teaching the basic fundamentals of theatrics, offering the youngsters an opportunity to participate in play acting, perform skits and learn various skills.

The children's theatre program will start Wednesday, June 17, and continue for six weeks, meeting each Wednesday from 2:30 p.m. to 4:30 p.m. and on Saturdays from 9:30 a.m. to 11:30 a.m.

Miss Lucia Barber and Doug Law will direct the program for which a fee of $2 will be charged "Y" members and $10 for non-members.

Summer Outings

Five summer outings, including two trips to St. Louis Cardinal games, a boat excursion aboard the SS Admiral, and visits to the St. Louis Zoo and Grant's Farm, are part of the YMCA activity schedule this year.

Registration for any of the trips is now being accepted on a first-come, first-serve basis, by calling the "Y," at 876-7200. The fee includes transportation and admission on all trips, some may require the trippers to pack a sack lunch.

Adults and non-Y-members will be required to pay 50 cents above the fee listed for member-children. All trips will leave from the YMCA. Should an insufficient number register for the outing, youngsters registering in advance will be notified and their fees returned.

The initial trip, Wednesday, June 24, will be to the St. Louis Zoo. Accommodation, available for 40, will cost $1.25 each, with buses leaving the "Y" at 9:30 a.m. and returning about 4:30 p.m.

Baseball Games

Trips to the St. Louis Cardinal-Pittsburgh Pirates game on Friday, July 10, and the Cardinals vs. New York Mets on Wednesday, Aug. 5, will cost youthful participants $1.25, with buses for 120 persons leaving the "Y" at 6:30 p.m. on each date and returning about 11 p.m.

The Grant's Farm visit is set for Wednesday, July 15, with buses for 40 children or adults leaving the "Y" at 11:30 a.m. and returning at 4 p.m., at a cost of $1.25 or $1.75 per person.

A 4½-hour boat trip on the SS Admiral is planned for Wednesday, July 29, with space available for 40. Cost of the boat ride and transportation is $1.75 per "Y" member and $2.25 for non-members and adults. The bus will depart the "Y" at 9:45 a.m., returning about 4 p.m.

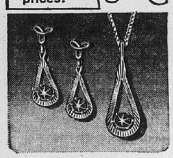

Membership Rates

YMCA memberships are available to all Quad-City area residents and cost $18 year year for youth, six to 13 years; and $20 per year for teenagers, 14 through 18 years.

Youth memberships include 20 swimming lessons during the summer session and one lesson per week in the seasonal program; gym program; use of lobby facilities; youth recreational swims; discount rates for summer outings; special holiday tournaments and activities; a discounted rate for special programs that require a fee, such as judo, wrestling, gymnastics, soccer, ballet, or similar activities and family swims in which a parent must accompany a child.

Teenage memberships also allow swimming instruction, recreational and family swims; advanced gymnastic classes; use of the gymnasium and weight room; Teen Town activities; a 50-cent discount to attend "Y" dances; Hi-Y and Tri-Hi-Y clubs; and daily use of lobby facilities—such as pool tables, table tennis, color television and juke box.

Marvin P. Brooks, 75, Dies; Retired Foreman

Marvin P. Brooks, 75, of 410 Elm Grove, Hazelwood, Mo., a former long-time employee of National Lead Co. here, died at 12:15 p.m. Monday at Missouri-Pacific Hospital, St. Louis, where he had been a patient three weeks.

Mr. Brooks retired several years ago from National Lead's Hoyt Plant, where he was employed 30 years as a foreman. He was a native of Greenville, Mo., and a member of Watertower Baptist Church in St. Louis.

Surviving are his wife, Mrs. Maude (Goodman) Brooks; one son, James L. Brooks; three daughters, Mrs. Anna Lorraine Johnson, Mrs. Marilyn Isringhaus and Mrs. Janet Hartbeck; and several grandchildren. All the surviving relatives reside in St. Louis.

Funeral services were held at 10 a.m. today in St. Louis, with interment at Memorial Park, Normandy, Mo.

Madison to Extend Use of Fire Siren

The Madison fire siren used to notify volunteer firemen that a fire call has been received will be sounded hereafter for all fire calls received until midnight, it was announced by Fire Chief Eldon Rhoads.

In the past the siren has been sounded only for alarms received at the police station until 9 p.m. Firemen were notified of fires by a phone relay system after the 9 o'clock deadline.

Rhoads pointed out that during the hours between 9 p.m. and midnight, some firemen may not be at their homes where they can receive the phone call, but may be in the city where they can hear the siren on the fire station building without difficulty, permitting them to report to station or go to the fire scene.

The phone system of notification will be used by the department after midnight, Rhoads said.

Registration Next Week For Park Swim Classes

Youngsters residing in the Granite City park district who wish to take part in the district's summer swimming instruction program may register next week at the Wilson Park pool office, Harold Brown, park superintendent announced today.

Registrations for the free program will be accepted between 2 and 6 p.m. Monday through Friday, with the classes starting the following Monday, June 15, Brown said.

Group swimming lessons for children will be given in four 2-week sessions, two for boys and two for girls. Classes will meet daily, Monday through Friday, at the park pool.

Classes also are being scheduled for advanced beginners and intermediate swimmers, with those wishing to enroll in either of the two programs required to present a Red Cross Beginners Certificate at the time of registration.

Advanced classes will meet from 9 a.m. to 9:45 a.m. daily, with all other classes for children held from 9:45 a.m. to 10:30 a.m. and from 10:30 a.m. to 11:15 a.m. daily.

Sessions for girls will take place during the periods, June 15 to 26 and July 13 to 24. Boys will attend instruction sessions from June 29 to July 10 or from July 27 to Aug. 7.

Special swim classes for adult women are arranged for Wednesdays, from 11:30 a.m. to 12:30 p.m., while men may participate in a series of instruction sessions each Saturday, from 11:30 a.m. to 12:30 p.m.

Brown emphasized that swimming instruction is provided to park district residents only. No fee is charged, he added.

Classes for junior and senior life-saving students presently are being formed, the park official reported. Further information about the life-saving series may be obtained by calling the Wilson Park pool office, at 876-7466.

GC Police Car Replacement Now 6-8 Weeks Off

Replacement of Granite City's wrecked and worn-out police cars will be six to eight weeks away, since the council decided Monday night to seek new bids.

The decision was reached after last week's order to replace the cars immediately could not be carried out since the low bidder no longer had special police cars available. The council had accepted the low bid of Mathews Chevrolet nearly three months ago, but delayed actual purchase pending a recommendation from the city Finance committe.

In the meantime, the bids were misplaced.

When it was discovered last week that Chevrolet was preparing for 1971 models and could not honor the bid on the special 1970 models, prices were obtained from other dealers.

B. E. Hohlt, Inc., was able to locate six autos with the special police patrol specifications except for meters and shock absorbers, and it was the recommendation of the Police committee Monday night to proceed with the purchase.

Other aldermen objected to a 6% financing charge, since the city would not be able to pay for the cars until late July or August. Immediate delivery was promised.

"No one else is penalizing us for late payment while we wait for tax money. We're buying a street sweeper from a St. Louis firm with immediate delivery and no financing charge," Nonn pointed out.

Poulos, chairman of the Police committee, commented, "Then you should be able to get the sweeper cheaper."

Poulos was the only alderman to vote for the immediate purchase of the police cars.

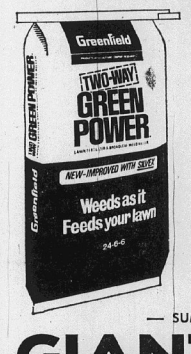

Delivery now is not expected for six to eight weeks on 1971 models.

Authorization also was given to seek bids for a new truck for the humane department.

RADIO STATION STAFF for new Wsie-fm which will go on the air July 28 at Southern Illinois University-Southwestern includes, left to right—Gregory McGee, Granite City, traffic manager; John Craddock, O'Fallon, continuity director; Keith Nabe, O'Fallon, student manager; and Walt Bowen, St. Louis, production manager.

McGee Named to Staff Of New Campus Station

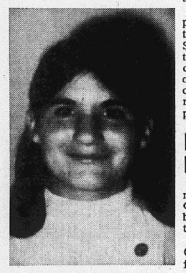

Gregory McGee of Granite City has been appointed at traffic manager of radio station Wsie-fm, Southern Illinois University-Southwestern's' new 50,000-watt educational station which will go on the air July 28. The station will be located at 88.7 on the dial.

It is one of 10 key student posts. Others appointed so far are Keith Nabe of O'Fallon, student manager; Walt Bowen of St. Louis, prodoction manager; John Craddock of O'Fallon, continuity director; and Janice Thilman of Caseyville, head librarian.

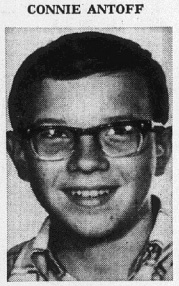

The station will be supervised by Fred Crimminger, assistant director of broadcasting services, who anticipates a student staff of 35 to 50.

"Anyone — students, staff or faculty at SIU-SW who has something to contribute—is welcome to do so," Crimminger said. The only requirement, he pointed out, is that the person who wants to go on the air must have an FCC radio-telephone license with broadcast endorsement and must be a current student or member of the faculty-staff.

Comprehensive programs are being planned for Wsie-fm. Emphasizing education, they will include broad news coverage, music, sports, book reviews, talk shows, agricultural and scientific research and lectures.

Lewis-Clark Pilgrimage Set for Cubs, Brownies

A special Lewis & Clark Pilgrimage, a three-mile hike, will be held June 13 for Cub Scouts and Brownie Girl Scouts.

The groups will begin the hike at the ship-to-shore radio station north of Interstate 270 and on the east side of the Chain of Rocks caanl and end at the Lewis & Clark state park. All Cubs and Brownies may attend.

A morning pilgrimage for Cubs will begin with registration at 9 a.m. at the station. Packs will line up at 9:50 a.m., and the group will get under way at 10 a.m., reaching the park at 11 a.m.

An afternoon pilgrimage for Brownies will start with registration at 1 p.m. at the station. Line-up of troops will be at 1:50 p.m. for a 2 p.m. starting time. The girls should be at the park at 3 p.m.

Sack lunches can be brought by both groups, with the Cubs eating at the park after the hike and the Brownies at the station before starting.

Signs leading to the pilgrimage starting area will be placed along Highway 3 and will read L&CP with an arrow showing the proper direction.

Maps and general information will be sent to leaders if they contact L&C Pilgrimage, 200 Warson lane, or pohne 931-2897. Soda, candy and hot dogs will be sold at the ship-to-shore station.

Scouts wishing to have proof of hiking the trail may purchase the eight-color embroidered emblem for $1. The pilgrimage has the approval of the National Council of Boy Scouts of America.

State Scholarship Applications Open

The Illinois State Scholarship Commission has announced to the area high school principals that the General Assembly with the consent of the governor, has approved more funds for grants to students desiring to go to state colleges for the 1970-71 school year.

Joseph D. Boyd, executive director, made the announcement this week and added that applications will be available at the colleges and high schools and the ISSC office.

Applications must be completed and postmarked no later than June 20 for consideration. Students are urged to contact the Financial Aid office of the college of their choice for applications or the ISSC Office located at Box 607, 730 Waukegan road, Deerfield, Ill., 60015 or phone 312-945-1500.

Baccalaureate to be Held Sunday at GCHS

Baccalaureate services for nearly 800 graduating seniors at Granite City high school will be held at 2 p.m. Sunday in the school auditorium.

The sermon, "America's Greatest Heritage," on the text from Matthew 26:6-13 will be delivered by Rev. Jesse Roberts of the Niedringhaus United Methodist Church. Rev. James R. Craddock of Central Christian Church will give the scripture reading as well as offer the invocation and benediction.

The Advanced Mixed Chorus will sing "Lord to Thee Our Hearts Are Raised" by M. Glinka and "Hallelujah, Amen" by G. F. Handle. The school band will play for the processional and recessional.

The Southern Illinois University, Carbondale, Museum is working under a National Park Service grant to save Indian and pioneer artifacts in the lower Kaskaskia river valley.

GARY R. NOVICH

Novich Elected Head Of McKendree Students

Gary R. Novich, son of Mr. and Mrs. John Novich sr., 1211 Madison avenue, has been elected president of the McKendree College Student Association for the next school year.

He currently is serving as chairman of the Academic Commission of Student Congress, program chairman of the Public Affairs Forum and is student advisor to the campus bookstore. He also was president of his freshman class.

On assuming office in the fall, when he will be a junior majoring in political science and sociology, he will be responsible for communicating student needs to the coleige administration as well as instituting such programs as a Student Congress scholarship fund and a student newsletter.

McKendree College is located in Lebanon and recently received full accreditation by the North Central Association.

The "Forsythe Sage," an award-winning television show, can be seen at 8 p.m. each Sunday on Wsiu-tv, Channel 8, and Wusi-tv, Channel 16.

$50 Monthly Pay Boosts Ok'd for Police, Firemen

Pay increases averaging $50-a-month for Granite City policemen, firemen and sewage treatment plant employees were approved Monday night with adoption of an ordinance.

The ordinance includes greater differential pay for the officers of the department and lists nine paid holidays—New Year's Day, Good Friday, Memorial Day, July 4th, Lincoln's Birthday, Labor Day, Veterans Day, Thanksgiving Day and Christmas.

Alderman Nonn remarked that in the future, the council should not commit itself to two-year wage agreements, Moerlien added that he could find no official record of the commitment of last year when the council voted for $75 monthly increases and for $50 starting May 1 this year.

He added that the $50 monthly increase will wipe out any surplus in the sewage treatment plant reserve fund. "When I was chairman of the Treatment Plant committee, we were able to work out the lowest monthly fee in the state and still build up a reserve for future secondary treatment.

"Now it looks as though the city will have to boost the monthly charge to a householder and still will have to issue another bond issue when the order is received to begin secondary treatment.

"Our quarterly charge is $2.70 for a household, and I know of some places where it amounts to $8," Moerlien added

Alderman Basarich told Moerlien to "quit picking on the sewage treatment plant."

Under the new pay ordinance for the police and fire departments, the monthly salary for the chiefs will be $1070, up $70; assistant police chief, $905, up $130; assistant fire chief and chief of detectives, $900, up $130; police lieutenants and fire captains, $840, up $95; police sergeants, $790, up $65; fire department engineers, $790, up $75; police patrolmen and firemen, $750, up $50.

At the sewage treatment plant, the superintendent's pay will be $1065-a-month, up $65; assistant superintendent, $857, up $65, and the operators' new scale ranges from $762 to $805, depending on the type of license held. The old rates ranged from $712 to $755.

Street department workers were given $50 monthly increases last week. All increases are retroactive to May 1st.

Council action is yet to be taken on increases for city hall employees.

Evening Guild Installs Officers

St. Peter Church Evening Guild met Monday evening in Fellowship Hall for the final meeting of this year and installed the 1970-71 officers.

Mrs. Georgia Boettiger, president, opened the meeting and presided over a brief business session, attended by 19 members.

The president announced an open house reception will be held in Fellowship Hall on June 21 from 2 to 5 p.m. to honor Rev. H. H. Wintermeyer, who has served in the ministry for 60 years.

During the business meeting the Guild made plans to donate $250 to the church Window Fund.

Miss Clara Hoelscher and Miss Ella Hoelscher conducted the installation service for Mrs. Pat Malottki, president; Mrs. Pauline Schank, vice-president; Mrs. Helen Todd, treasurer; and Mrs. Dorothy Kinney, secretary.

Miss Clara Hoelscher then presented the retiring president, Mrs. Boettiger, with a past president's pin. Mrs. Boettiger expressed her thanks to the officers and program chairmen for their assistance during her year.

A program on the theme, "What Can I Do," was presented by Mrs. Dorothy Lueders, who stated the purpose of the theme is to promote Christian service in the home, local church, denomination, the community and the world. She was assisted at the piano by Miss Rosemary Kabureck.

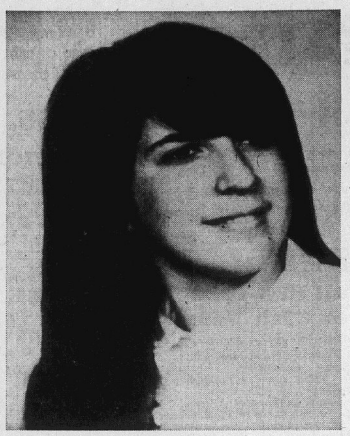

Refreshments were served by Mrs. Malottki and Mrs. Lucretia Wright at tables decorated with fresh garden flowers arranged by Mrs. Shirley Glenn. The Guild will resume monthly meetings in September.

ATTEND GRANDSON'S GRADUATION IN OHIO

Mrs. William H. Quilligan of Granite City and Mr. and Mrs. Al Arbough of Edwardsville returned earlier this week from Cincinnati, O., where they attended the graduation Saturday of their grandson, Thomas Quilligan, at La Salle high school.

The youth, a son of Mr. and Mrs. William J. Quilligan, formerly of this area, was awarded bronze, silver and gold medals for academic achievement in the graduation exercises. He plans to enter Miami State University at Oxford, O., in September.

Miller-Yount Engagement

The engagement of Miss Nancy Carol Yount and Joseph John Miller, son of Mr. and Mrs. Arthur E. Miller of 3225 Bluebird lane, was announced this week by the bride-elect's parents, Mr. and Mrs. David J. Yount of 4277 Breckenridge lane.

Both young people graduated from Granite City high school in 1969. Yount is employed by the Robert W. Hunt Co. and Mr. Miller is employed as a construction worker, operating heavy equipment.

Wedding plans have not been completed.

St. John Guild Closes Season

St. John United Church of Christ Evening Guild opened the final meeting of this season Monday night with a worship service entitled, "Listening," given by Mrs. Dorothy Schanuel and Mrs. Shirley Schillinger.

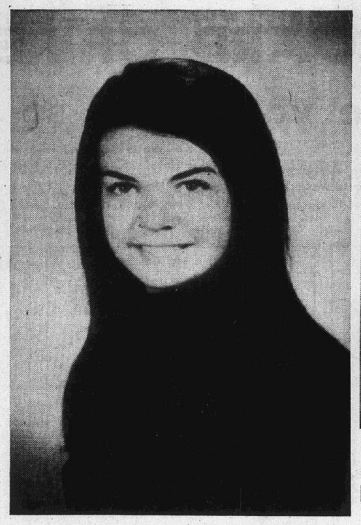

A skit was presented by three members of the Afternoon Guild on "No Time For Rocking Chair." Participating were Mrs. Amanda Deutschman, Mrs. Ellen Ehlert and Mrs. LaVerne Krauskopf.

Mrs. Pat Schulte, president, conducted a brief business session, announcing Mrs. Wilma Willaredt and Mrs. Joan Schnyder will audit the books.

Mrs. Marcia Buenger reported the missionary girl in Hong Kong sponsored by the Guild had sent her report card and a picture to the group.

Mrs. Schulte extended her thanks to the officers and committees for their assistance during the year. Refreshments were served by the Fellowship committee.

Sales—New & Used Vehicles
We want a
VOLKSWAGEN
sales person who can sell Fords, Plymouths, Chevies And Volkswagens

If you're the person we're looking for you'll handle new Volkswagens and used imports and domestics. But you'll sell them all the Volkswagen way. With straight talk and fair dealing. You'll enjoy selling honestly built Volkswagens. And clean trade-ins backed with 100% guarantees. We expect you to be familiar with most makes of cars, and ready to sink your teeth into VW selling. We'll give you training, seminars and promotional material that really works. We'll help you build a solid career, in clean and pleasant surroundings. The person we want is stable, personable, energetic. Expects a substantial income for these abilities. And is getting it. If you fit the description, please get in touch. Contact our Mr. Jim Rice.

Weyant, Jones Will Challenge Spalding

Chuck Weyant and Bubby Jones, who always seem to have the racers'-edge, will invade the Tri-City Speedway Friday. Time trials begin at 7:30 p.m. and racing starts at 8:30 p.m.

Granite Cityan Wib Spalding has had the feature events at the local track going all his own way so far this year. He has won the racing finale on both nights that the competition hasn't been rained out.

Pushing his super-modified sprint auto to a top qualifying time, he has trailed in trophy dashes and in heat events. But, taking a first row starting position in the feature, he has been first to receive the checkered flag in the big money events.

Weyant and Spalding have taken to tracks together frequently before, criss-crossing the countryside to compete at U. S. Auto Club (USAC) sanctioned midget car races.

Fifth in USAC Standings

Weyant is driving with the USAC midgets this season. He ranks fifth in the point standings behind Jimmy Caruthers, first in the standings; Merle Bettenhausen, second; Bob Tattersall, third; and Hank Butcher, fourth. The USAC midget caravan will be here June 14.

Spalding, a USAC midget car regular for several years, is confining his driving to a several states area, driving a new sprint car.

Tomorrow will be the first meeting in a long while between Weyant and Spalding in the big sprint cars.

While Spalding has been dominating the Capitol Racing Association (CRA) major events both here and at Jefferson City, Mo., Bubby Jones has been an equally dominant figure in the Illinois Stock Car Association, which centers its activities at Springfield, Ill.

Consistent Winner

Jones, in his sprinter, won a 50-lap race in the quarter-mile feature last Sunday at Springfield. He has won (five) every super-modified feature there this season except one. CRA driver Bill Utz won the one that Jones missed.

Last Sunday, Utz won the Missouri Classic at the state fairgrounds. Rain shortened the race, an annual benefit affair for Missouri State Jaycees.

Jones had intended to be here last week but the questionable status of the race due to the rain prevented him from coming.

Ronny Perkins, who on the slushy track showed up well only in a heat event, also will return Friday, along with last week's good mud drivers who took top places in the feature: Utz, Tom Corbine, Jerry Johnson and Steve Shultz.

Freeman to Coach at Area Basketball Camps

Don Freeman, American Basketball Association All-Star and former Madison high school and University of Illinois star cager, will be a guest coach at the Illinois All-American Basketball Camps in the area during the summer.

Playing for the Miami Floridians this past season, Freeman carried a scoring average of 22 points per game while his assists total was the second highest in the league.

Freeman will spend one day with each of three basketball camps in this area.

Ed Macauley and Harv Schmidt will also be guest coaches. Macauley is a former All-American with St. Louis University who starred as a member of the Boston Celtics and the St. Louis Hawks.

Schmidt as head coach of the University of Illinois has led the Illini back to national prominence. He has experience as a great college and AAU player and has coached in high school, gaining knowledge of the problems of the young basketball player.

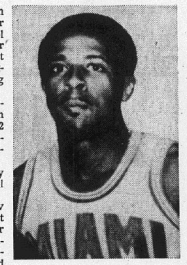

Training camps will be held at Alton senior high school, Assumption high school in East St. Louis and Litchfield high school of Litchfield.

Boys in the fourth through eighth grades will be eligible to attend. Ninth grades in junior high school can also attend but boys who are in senior high ninth grade cannot attend because of rulings of the State High School Activities Association.

Tuition is $35 for ten sessions.

At Alton and Assumption — Sherrill Hanks, Quincy high school coach, will be one of the guest teachers. His Quincy teams have won more than 350 games and have produced All-State players including Rick Rineberg, Larry Gross, Gary Thompson and Billy Gay.

The Alton camp will be held Monday through Friday from July 20 through July 31. Each session will start at 1:30 p.m. and end at 4:30 p.m. Alton high school coach for six years, Ralph Sterrett will be the camp director.

DON FREEMAN

The camp at Assumption will be directed by Assumption's 10-year coach Dick Ryan. Sessions will be held every weekday from July 20 to July 31 starting at 9 a.m. and will end at noon.

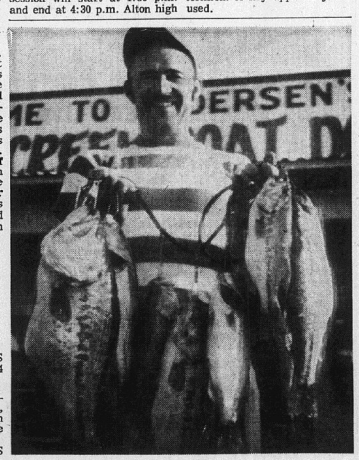

Harland Scheibal, Litchfield high school head coach and former assistant to Virgil Fletcher of Collinsville high school, will direct activities at Litchfield's camp. The 10 sessions will be held June 22 through July 3, getting underway at 9 a.m. and ending at noon.

Each camp director will be assisted by other high school, junior high and grade school coaches selected from their area.

For more information write to: Illinois All-American Sports Camps, P. O. Box 1157, Champaign, Illinois, 61820.

8 Girls' Softball Teams at Mitchell

Eight girls' softball teams, divided into two age group divisions, are playing four evenings a week at the Mitchell Athletic Association field on Moorland and Greenway drives. Joe Barrington is the league director.

The younger girls' division plays each Thursday and Friday. Teams and mnagers are: Robynettes, Sherry Blochberger; Blue Jays, Sandy Failoni; Bobettes, Beverly Widel; and Jolly Giants, Georgia Wilson.

On Monday and Tuesday evenings, the older girls compete. The Fun & Sun team is managed by Al Crumbley; P. N. Hirsch, Dale Hayden; Kelley's Market, Londa Failoni; and Pagan Brickettes, Alice Reber.

Games begin at 5:45 p.m. at the Mitchell field.

The current schedule:
TODAY
Jolly Giants vs. Robynettes
FRIDAY
Pagan Brickettes vs. Fun and Sun

Bands Battle Tonight At Pontoon Teen Town

The final dance of the current season and a "Battle of the Bands" contest will be sponsored by Pontoon Gators Teen Town from 6:30 p.m. to 9:30 p.m. today at Long Lake fireman's hall on Pontoon road.

Quad-City area teenagers are invited to attend the dance and view the band contest. Admission fees will be 75 cents for Teen Town members and $1 for non-members. Competing for $150 in first place prize money will be local music groups, "Flag," "Marz Bonfire" and "Parc," Mrs. Sharon Littlephon TT advisor said.

Suffer Knife Wounds

Charles Griggs, 32, of 134 Lee Wright Homes, Venice, and James Griggs, 1030 Douglas street, were treated at St. Elizabeth Hospital about 5:40 p.m. Tuesday for knife wounds, according to a report by Venice police. Authorities said James Griggs was cut on the right arm above the elbow and Charles Griggs was cut on the left thumb. The two men told officers they were wounded while "playing with a knife." No complaints were filed.

Two Cars Damaged

Damage to the right front of a car driven by Jerry C. McBride, 1320 Grand avenue, Madison, and to the rear of a car driven by William C. Franklin, 2160 Orville drive, resulted from a collision at 12th street and Grand avenue in Madison about 4 p.m. Tuesday. Madison police said both cars were southbound on Grand avenue when Franklin stopped for traffic and McBride's car skidded on wet pavement into the rear of the Franklin car.

Shoplifter Arrested

A juvenile shoplifter was arrested at 5:45 p.m. Monday after he was caught leaving the W. T. Grant store with a book on magic. It was valued at 60 cents.

Key Game for Mercer Squad at East Alton

Tight battles may be in store for the Inter-City Baseball League this weekend, including a "judgment day," of sorts, for second-place Mercer.

This Sundays matchups are the same as on a day in early May when all three contests were decided by one run.

All the locations will be different; the former visitors will be hosts this time.

Another change will be that most of the teams will be at full strength with the return of players from college.

Maryville at Bellemore

Slated for 2:30 p.m. Sunday are: Mercer at East Alton, Maryville at Bellemore Sporting Goods (Wilson Park) and Collinsville at Highand.

In early May, Mercer beat the Machinists 4-3, Highland beat Collinsville 4-3 and Maryville beat Bellemore 6-5.

Last Sunday's results brought one minor surprise. Collinsville rose above its policy of losing to about everyone but Mercer and reversed an earlier 5-0 thumping from the Braves; behind Bruce Thompson's three-hit pitching, Collinsville defeated Maryville 5-1. League-leading East Alton blanked Highland 3-0 and Mercer put down a Bellemore rally to win 12-4.

East Alton Setting Pace

East Alton in seven outings has sustained only one loss, to Mercer.

Mercer, with a 4-2 record, is 1½ games behind and probably must win to remain ahead of Maryville and Collinsville, which have less difficult assignments Sunday.

Maryville is two games out of first with a 4-3 record. Collinsville has a 3-3 log, Highland is 2-4 and Bellemore 0-6.

PUTT-PUTT NOT PUTT-PUTT-PUTT. Using two putts to put the golf ball in the cup is excellent. If it takes three putts to sink the ball, you may be beginning to lose your grip. Dave Rouland demonstrated regular "putt-putt" skill for the GCHS team this season.

Schwendeman Golf Score Averaged 41 During 16-9 Season

Tim Schwendeman, Dave Rouland, Earl Anderson and Bob Peacher led Coach Harry Lane's golf Warriors most of the way to a 16-9 season record.

Shooting an under-40 nine-holes round is the standard for which prep golfers aim. Schwendeman and Anderson each broke the standard six times and Rouland and Peacher were under the standard four times.

Schwendeman accumulated the best average on the team with 41 strokes with a balanced game of driving and putting. Peacher, though averaging a slightly higher 42, was the most consistent low scorer.

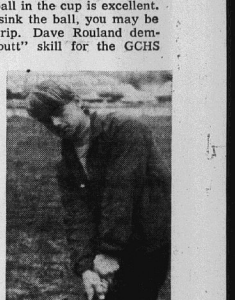

Keen putting kept Rouland's average down to 42 while Anderson showed the way in long drives from the tee to score an average of 43 per outing.

Bob Zellerman and Gary Zimmer were just off the paces set by the to four, averaging 45 apiece. Most improved player honors went to Zellerman, who had an early season average of 50.

Among other regular players, Jack Eigles carried a 47 and Mike Willis, 48.

The season was highlighted by GCHS breaking the 16-game winning streak of Belleville East. Warriors placed seventh at the 15-team district tournament and fourth in the Southwestern Conference.

Schwendeman and Anderson will receive their third varsity golf letters. Others earning letters are Anderson, Peacher, Zellerman and Zimmer.

1000 Petition City Council For Full-Time Air Controls

Petitions with over 1000 signatures calling for the Granite City council to budget funds to hire a full-time staff for air pollution controls were presented to the city at Monday night's council session by a representative of GASP (Group Against Society's Pollution).

The presentation was made by David Hordesky, president of the GASP student group, who pointed out the petitioners recognize the continuing problem of air pollution in Granite City and request compliance with a recommendation by a consulting firm, hired by the city, for establishment of a full-time office with a staff of two or three persons.

The budget would amount to a minimum of $17,500.

Proposed in the current budget, which has not yet been debated, is $7000 for air pollution control.

Hordesky was accompanied to the city council session by a delegation of high school students and adults.

The petitions were received and placed on file by the council members, who voted to have a copy sent to the city Air Pollution Control board.

Another citizen group in a second appearance before the council called for enforcement of the city's trailer law or for complete abandonment of it.

A spokesman for the group was Mrs. Theresa Baryiske, 3001 Pershing avenue, who pointed out a house trailer was located in the block without a permit from the city.

The trailer owner, Earl Angle, appeared before the council three weeks ago and said he had obtained signatures of property owners within 300 feet of the trailer site giving consent. The protest group said petitions did not bear the required 70% of the property owners.

City Atty. Scroggins said he had taken no legal action against the complaint of several weeks ago because of a recently published article which stated the Illinois Supreme Court had declared a municipal house trailer control law to be unconstitutional.

"I'm trying to get a copy of the court's decision to determine if it knocks out our ordinance, and if I don't get it through the mail within the next two days, I'll go to Springfield to pick one up," he told the council and group of citizens.

It was explained the Granite City control ordinance does not ban house trailers, but requires consent of 70% of the property owners within 300 feet of the proposed trailer site.

"This might exclude Granite City from the Supreme Court ruling, but I don't know at this time," Scroggins said.

It was suggested the city attorney proceed with legal steps for removal of the trailer without further council action should it be learned the Supreme Court ruling does not pertain to the Granite City ordinance.

Approval was given Joseph Mangiaracino, 2836 Dogwood drive, to building an attached garage four feet and eight inches from his side property line. His original plan for three feet eight inches had been turned down by the Zoning Board of Appeals.

Condemnation proceedings were requested for three buildings —a house in the 2300 block of Logan street, a burned out house in the 1700 block of Delmar avenue and a vacant two-story duplex frame structure at 1804-06 State street.

Madison Amvets Elect Skubish as Commander

Stanley Skubish was elected commander of the Madison Amvets Post 204 at a meeting Monday night, conducted by the retiring Commander Andrew Angeloff at Boshkoff's in Madison.

Other new officers will include William Papa, first vice-commander; John Sedlack, second vice-commander; John Miks, third vice-commander; Edward Uhercik, adjutant; Vasil Graville, public relations officer; Sam Boshkoff, finance officer; Andrew Angeloff, service officer; John Kozak, membership director; William Vavra, legislative director; Andrew Hartman, chaplain; Stanley Hudzik, historian; and Frank Schenhofer, provost marshal.

Announcement was made that both Angeloff and Skubish are to attend the State convention at Mt. Vernon this month and all Amvets are to attend the Fifth District meeting to be held at Post 51, Granite City, this Sunday.

John Miks was declared the winner of the Fifth District golf tournament at Mt. Vernon last weekend.

Plans for the annual football ticket sale is being formed by John Kozak.

At the close of the meeting, a moment of silence was observed in honor of Charles Papp sr., an Amvets member who died last week.

The Post will continue regular meetings on the first and third Monday of each month.

Thief Pries Car Door To Steal Rain Gear

Joseph Summers, 2825 Dale avenue, reported at 8:50 a.m. Tuesday that his auto was looted while it was parked at his home. A door latch was pried up to gain entry.

Taken were a brown leatherette athletic bag containing 250 personal checks, a transistor radio, a set of rain gear and an unknown amount of pens and pencils containing the name N&W Federal Credit Union. The checks later were found in the street in the 3100 block of Rodger avenue and were returned to the owner.

Car Damages Fence

About 15 feet of fence in the 1200 block of Logan street in Venice was torn down and a car driven by Mary E. Harden, 637 Salveter street, was damaged as the result of an accident about 10:30 a.m. Tuesday. Venice police said the Harden car was northbound on Selb when the driver lost control at the intersection of Logan street and struck the fence.

Better Care of Bikes Urged to Avoid Theft

Police officials at Venice and Madison today urged youngsters to take better care of their bicycles or face the risk of losing them to thieves.

They said an increasing number of bicycle thefts have occurred in recent weeks, most of them involving bicycles taken from the yards of homes where the owners fail to take them in at night.

Chief of Police John Essington at Venice said his department has had as many as six such thefts in two nights, while Chief of Police Frank Durko at Madison reported a total of 21 bicycle thefts during the month of May.

"We have a few thefts during daytime hours when bikes are taken from sidewalks or where they have been left temporarily, but neglecting to put bicycles away at night is the biggest cause of theft," Essington said.

Durko also urged all persons buying new bicycles to write down the serial number and keep it so that it is available in the event the bicycle is stolen. Serial numbers are the only positive means of identifying stolen bicycles since their appearance frequently is changed by interchanging parts from other bikes.

Man in Mishap Ticketed

An auto driven by Hugh W. Meyers, Collinsville, was struck in the right side by a car driven by Billie E. Scarbrough, 4808 Kirkpatrick Homes, at 3:10 p.m. Monday at 2400 Edwards street. Meyers was charged with a right-of-way violation.

Save $2.10 on PITTSBURGH PAINTS SUN-PROOF® Latex House Paint

Many paints crack and peel when your house stretches and shrinks with variations in temperature. SUN-PROOF LATEX expands and contracts with the house. Tough. Long-lasting. No primer necessary over most repaint surfaces.

Reg. Price $9.07 *

$6.97 Gallon

White and Ready-Mixed Colors

- **SUN-PROOF Resists the Ravages of Air Pollution**
PITTSBURGH PAINTS research laboratories have done it again! Its technicians developed a formulation that not only inhibits mildew growth but also is unaffected by sulphide fumes. Another first in the paint-making art from PPG.
- **SUN-PROOF is Fade Resistant**
Color retention of new SUN-PROOF Latex is excellent . . . in white, tints or deep tones. Its paint film withstands all the ravages of air pollution . . . a paint film with lasting beauty!
- **SUN-PROOF is Mildew Resistant**
This new SUN-PROOF Latex House Paint is highly resistant to mildew. Zinc oxide gives the paint film a degree of mildew resistance not previously found in latex house paints.
- **SUN-PROOF is Fume Resistant**
New SUN-PROOF Latex House Paint will not darken or stain in the presence of sulfide fumes because its zinc oxide formulation is completely nonreactive with them.

Summer Sale Savings on Sun-Proof® Oil-Base House Paint, too! $6.97 Per Gallon!
